**General Information**

Dear Principal Designated School Officials,

On behalf of the Student and Exchange Visitor Program (SEVP), I am pleased to announce your school now has an assigned SEVP field representative. Serving as direct day-to-day liaisons between SEVP and SEVP-certified schools, our field representatives are a valuable resource for schools.

SEVP field representatives will directly contact the schools in their territory within the next few weeks to introduce themselves. Your field representative is here to answer your questions about the SEVP recertification process and international student lifecycle, provide training and assistance, and attend local conferences and events pertaining to SEVP subject matter. For additional details on the roles and responsibilities of SEVP field representatives, visit [Study in the States](#).

SEVP thanks you for your continued support. We hope you rely on your field representative as a resource to answer questions and address concerns related to SEVP school recertification, and the international student lifecycle process. In the meantime, please contact the SEVP Response Center (SRC) if you need additional support. SRC is available at 703-603-3400 or 800-892-4829, Monday through Friday, 8 a.m. to 6 p.m. ET, except on federal holidays.

Sincerely,

Rachel Canty

SEVP Director
