

**NOTE:** This table summarizes the program parameters set by IFA. Underwriting for IFA programs is delegated to the lender. When determining eligibility, a lender must apply the most restrictive of the requirements between IFA and the agency guidelines for the loan type (eg. FHA, VA, RD, Fannie Mae, Freddie Mac)

- FirstHome programs may be paired with our "Plus" grant or 2nd Loan. Homes for Iowans programs may be paired with 2nd Loan. The "Plus" grant provides home-buyers with a \$2,500 grant to assist with down payment and closing cost; no repayment due. The 2<sup>nd</sup> loan is up to 5% of the home's purchase price with no maximum and is repayable at time of sale, refinance, or first mortgage is paid in full; no monthly payment required. "Plus" Grant or 2nd Loan may not be used in same transaction.
- "Plus" grant or 2<sup>nd</sup> Loan may be layered with the Military Homeownership Assistance (MHOA) grant when home buyer is eligible for both programs.

<sup>1</sup> Income limits are increased (per Qualified Census Tract) and a purchase price limit of \$588,000 applies if the property to be purchased is located in a federally defined "Targeted Area". More information regarding the location of Targeted Area can be found on our Homeownership Program Income and Purchase Price limit form.

<sup>2</sup> First-Time homebuyer is defined as not having an ownership interest in their primary residence in the past three years or meeting one of the following exemptions: 1) borrower is purchasing a home in a Targeted Area, OR 2) borrower is a military veteran, discharged other than dishonorably, who has not previously financed a home using a tax-exempt mortgage revenue bond program.
