# How to find a publisher's contact information (J-STAGE Data)

You can find the contact information for a journal's publisher on the 'About the journal' page.

(1) From a dataset page on J-STAGE Data, click the link under 'READ THE PEER-REVIEWED PUBLICATION' to access the article related to the data.

(2) From the article page, click on 'About the journal' or 'Contact us'.

(3) On the 'About the journal' page, the publisher's contact information is provided under 'Other relevant information'.
