

Measures against COVID-19

In light of the impact of COVID-19, we have decided not to require scores for the Essay/Writing component of SAT/ACT for PEARL applications for the September 2021 entry. SAT/ACT scores are still required, but their Essay/Writing part is now optional.

If you have already taken an Essay/Writing test but would like to have the result not considered in the review of your application, you may indicate this by leaving the section for score for the Essay/Writing component of SAT/ACT blank.
