

Please DO NOT park in the “No Parking” lots. You will be towed. (Effective IMMEDIATELY)

Construction on Grove Street behind the Idaho Department of Labor office means we need to restructure our parking lots. **Unfortunately, it also means we are no longer able to offer free customer parking.** Options include:

-  Metered parking spaces
-  One-hour unmetered parking per day
-  Two-hour unmetered parking

Boise City Parking Garages

Parking garage options:

boiseparking.com/parking-options/garage-parking/

Street parking options:
