

## Questions from Residents at The Meadows Community Safety Forum

*Below are the questions asked during the forum on Monday, October 9, 2023. The answers will be posted as soon as they become available. Please reach out to [pio@lakeforestca.gov](mailto:pio@lakeforestca.gov) for additional questions.*

1. Where can I find the information on the three community development projects shown in the presentation?
2. We have noticed traffic issues in our community:
  - Speeding
  - Collisions
  - Damages to Private Property

Can we make The Meadows gated?

3. Can you guide us through the easement process to slow traffic in The Meadows?
4. Can we install Flock Cameras in The Meadows to investigate the traffic concerns?
5. What are the options for residents in The Meadows to make the community gated?
6. Why do homeowners in The Meadows have to pay for the maintenance of the parks in the community?
7. What is the purpose of the proposed warehouses? Are they going to be a storage facility, what are the hours of operation, how many trucks will be in and out? I would like to know the impact of the proposed warehouse projects.
8. I would like the City to do its due diligence to make sure they are reviewing all environmental impacts of the proposed warehouses.
9. Can we decrease the speed limit on the intersection of Rancho Pkwy and Bake Pkwy?
10. Are there other communities in Lake Forest that have a similar set-up to The Meadows (private streets but public parks)?
11. Why does The Meadows have “pocket” parks that have to be maintained by the homeowners in the community?
12. Can the City consider rezoning the warehouse development sites?
13. What is the definition of light industrial development?
14. What is the estimated timeline on the proposed warehouse developments?
