MINI-SESSION REPORT

MINNESOTA HOUSE OF REPRESENTATIVES

VOLUME 2, NUMBER 7

JANUARY 8, 1988

Mini-Session Report

Mini-Session Report is a public information service of the Minnesota House of Representatives. This issue includes the Advance Committee Schedule for the upcoming Mini-Session Jan. 13-15 in Eveleth. All meetings are open to the public.

For up-to-date committee meeting times and agendas, call:

House Calls (612) 296-9283

For further help in following the Legislature, or for answers to general questions you may have, call the Minnesota House of Representatives Public Information Office, (612) 296-2146.

About mini-sessions

Mini-sessions began after voters approved the flexible sessions constitutional amendment in 1973. The amendment marked the third time that voters extended the length of legislative sessions. It allows the Legislature to meet each year from January to May, for 120 legislative days over the biennium (two-year period).

However, lawmakers may continue committee work during the recess. This means committees have the same power to make recommendations on bills that they have during a legislative session.

This interim, committees have met in mini-sessions in Mankato, the Capitol in St. Paul and Alexandria. They will meet in Eveleth next week.

ADVANCE COMMITTEE SCHEDULE

This schedule is subject to change. For information call **House Calls** at 296-9283 or contact **Dorothy Sawyer** at 296-2146. All meetings are open to the public.
