

PRIMARY ELECTION RETURNS

OF ELECTION HELD

JUNE 15TH, 1936

The returns on the following pages show the votes cast by counties for the various candidates for United States Senator in Congress, for the several State Officers, Representatives in Congress, Associate Justices of the Supreme Court, Judges of the District Court, and State Senators and Representatives in the Legislature, on the Republican, Farmer-Labor and Democratic Tickets, and including Justices of the Supreme Court, and judges of the District Court, without party designation, at the state primaries on June 15, 1936. The amended primary law of 1913 provides that where a candidate for the nomination for a partisan office has no opposition his name is not to appear on the primary ballot, but he is to be deemed the unanimous nominee of his party. Hence, the names of some candidates do not appear in the tables.
