## SECTION B - INSTRUCTIONS

These instructions are applicable to any Applicant seeking a Maryland Gaming Manufacturer license ("license"). If a business entity that applies for a license is a subsidiary or if a business entity holding a license is to become a subsidiary, each holding company and each intermediary company with respect to the Applicant shall, as a condition of the subsidiary acquiring or retaining a license, provide all the information requested by the Commission.

- B.1** Read each question carefully. Answer each and every question completely. **Do not leave blank spaces.** If a question does not apply, write "Does not apply" or "N/A." If the correct answer to a particular question is "None," write "None."
- B.2** All entries on the form must be typed or printed in block lettering. Initials or signatures must be in handwriting, unless otherwise stated by the Commission, by the person providing the information. If the answers are not legible, the application may not be accepted. Do not misstate or omit any material fact(s). All information is subject to verification. False or misleading information is grounds for the Commission to deny the application, or to suspend or revoke the license.

- B.3** The Applicant, if it is an individual, **must initial each page**, or if the Applicant is not an individual, the person authorized to complete the form on behalf of the Applicant (**Exhibit 27**) **must initial each page** as provided in lower right-hand corner. The applicant is attesting to the accuracy and completeness of the information contained on that page and that they have read the page.
- B.4** If additional pages are required in order to answer any question, additional pages may be utilized and must be attached to the form. Be sure to indicate the number(s) of the question(s) being answered and initial each additional page. Some schedules may require disclosure of information for more than one individual or entity or type of information. If there are multiple disclosures, make additional copies of the blank schedule and complete it for each individual or entity.
- B.5** All required documentation, such as business formation papers, tax returns and appendices, as well as the application forms that comprise an application package for a license, as listed above, **must be submitted at the time of filing this form.**
- B.6** An Applicant should give specific attention to the clear identification of those portions of its application that it deems to be confidential, proprietary commercial information or trade secrets, and provide justification of why such materials, upon request, should not be disclosed by the State pursuant to the Public Information Act (“PIA”), Title 10, Subtitle 6, State Government Article, Annotated Code of Maryland. Confidential information supplied shall be revealed in the course of the necessary administration of this application. A blanket statement by an applicant that its entire application is confidential, proprietary commercial information or a trade secret is unacceptable. Applications shall be open to public inspection only after award of a license has been made, to the extent permitted by the PIA. Applicant is advised that, upon request for this information from a third party, the Commission will make an independent determination whether the information may be disclosed. An applicant or licensee waives any liability of the State of Maryland, and its employees and agents, the Commission, and the Maryland State Lottery and Gaming Control Agency for any damages resulting from any disclosure or publication in any manner.
- When the Agency receives a PIA request, Staff retrieves and compiles all records that are responsive to the request. “Records” means all papers, emails, notes, recordings, maps, plans, forms, etc. After Staff compiles all responsive records, the Office of the Attorney General (OAG) reviews the request and the records, and makes a legal determination as to whether the records may be released. Additionally, when the Agency receives a request for records of an entity that holds a gaming-related license, or a vendor registration or certification, Agency Staff or the OAG typically advise the entity of the request and our anticipated response. The entity may file litigation to prevent the Agency from releasing records it wants kept confidential.
- B.7** The Commission may request additional financial and other information as needed.
- B.8** The license and application fees described in the “Fees and Costs” section on Page 3 of this form and authorized by COMAR are non-refundable. Additional costs and expenses may be incurred by the Commission in its investigation of the Applicant. Background investigation costs will be assessed by the Commission and shall be reimbursed to the Commission promptly upon receipt of an invoice. The failure to reimburse the Commission for background investigation costs is a basis for disqualification of the Applicant.

- B.9** Manufacturers replying to a casino's request for proposal (RFP) must submit the original application along with the original bid that is submitted in response to the RFP. A copy of this application, copies of all forms accompanying the application and a copy of the proposal shall be submitted as described in A.12 and A.13.
- B.10** Attach proof of registration with the Maryland Department of Assessments and Taxation (MD SDAT) to do business within the State. A "Certificate of Good Standing" must be obtained from MD SDAT (**not** from the Maryland Comptroller's Office). An Applicant will need to determine if the company's status is listed as in "Good Standing" by checking the following: <http://sdatt.resiusa.org/ucc-charter/Pages/CharterSearch/default.aspx>. Assistance with this process may be obtained from: <http://dat.maryland.gov/Pages/default.aspx> or by sending email inquiries to [charterhelp@dat.state.md.us](mailto:charterhelp@dat.state.md.us) if necessary. Submit documentation in the manner described in A.12 and A.13, as a separate .pdf file, labeled as "MD SDAT".

(During the course of the investigation, the Commission may need to request up to five years of returns, but the Form 4506-T only provides space to request four years, which creates a need for a second form to be completed and submitted).

Since the IRS updates the language on the Form 4506-T periodically, please check the upper left corner and determine if the revision date is current. If the enclosed form is no longer the most current, the Applicant is asked to retrieve an up-to-date version from the IRS website:

<https://www.irs.gov/Forms-&-Pubs>

On both copies of the Form 4506-T, the Applicant must complete lines 1 through 4; check the "Signatory declaration" block; sign the form; date the form; and enter a telephone number corresponding to line 1a.

Since the Licensing Division will need to determine which tax returns will be necessary to complete the financial stability inquiries, the Applicant is requested to leave lines 6 through 9 blank.
