A STRONG, UNITED VOICE FOR
MINNESOTA'S WORKING PEOPLE

2018 LEGISLATIVE REPORT

INTRODUCTION

This Legislative Report includes:

Descriptions of key votes: Numbered explanations of votes taken in the Senate and the House include the action voted on (motion, amendment, passage, etc.), together with the Minnesota AFL-CIO’s position, the vote outcome and vote totals.

Tables showing key 2017 votes: Grids show whether legislators supported or opposed working people with their votes. The numbered columns in the tables correspond to the numbered votes for the appropriate legislative body.

Definition of right and wrong votes: A legislator’s vote is recorded as “Right” (R), supporting the Minnesota AFL-CIO position, or “Wrong” (W), opposing the Minnesota AFL-CIO position. If the legislator was absent or did not vote, “Not Voting” (NV) is recorded.

Lifetime Voting Records: The Minnesota AFL-CIO Lifetime Voting Records of current members of the House and Senate are included on the House and Senate grids in the far right column. Only actual “R” or “W” are counted in calculating the percentage. “NV”s are not used in calculating the percentage.

Notes on how votes are selected to this report: The votes chosen were based on one or more of the following factors. The five factors are: 1) Long standing labor principles; 2) Minnesota State Convention Resolutions; 3) Minnesota AFL-CIO Executive and General Board positions/resolutions; 4) Legislative Priorities (page 2); and 5) issues that arise during the legislative session, for which one or more affiliates request assistance,

Votes have been selected for their accuracy as a gauge of legislators’ views. Wide-margin votes are avoided, unless they fit one of the five factors above and there are no other significant votes available on an important issue. The legislature often makes critical decisions about the content of legislation through votes on amendments or procedural motions. These votes frequently reveal a legislator’s position on an important issue more clearly than lopsided votes on a bill’s final passage.
