Freda Loretta Denman

Missing Since November 10, 1974

Age At Disappearance: 27
DOB: 11-07-1947
Sex: Female
Race: White
Hair: Brown
Eyes: Brown
Height: 5' 7"
Weight: 130

Freda has a dental plate.

Missing from:
Independence, Mo.

Freda Denman disappeared together with her son, Michael Johnson, age 9 months, and daughter, Sheri Johnson, age 4, on November 10, 1974. Her husband, Henry Lee Harbison, aka Henry Johnson, has not been seen since this same time period. Freda's clothing and belongings were left behind in the home, but her husband's and children's clothing were gone. Blood was found in the home, but initial testing was inconclusive.
