

TOTAL REWARDS AT A GLANCE

FOR SALARIED U.S. EMPLOYEES OF PEPSICO

TOTAL REWARDS AT PEPSICO

When you're on your A game, we know there's nothing you can't do. That's why we provide programs, services and support that enable you to be your best.

At PepsiCo, we call this **Total Rewards**. Total Rewards is designed to help you live better - physically, financially and emotionally.

We're excited to give you this first look at the Total Rewards you will receive as a PepsiCo employee. Whether your goal is to stay healthy, save money, or balance your work and personal life, there's something here to help you thrive.

HEALTH AND INSURANCE BENEFITS

We're committed to helping you and your family live a healthy lifestyle. It starts with access to quality, affordable health care. Here are your options. Most of these benefits are paid for with pre-tax payroll deductions, which also helps you save money.

YOUR CHOICES

MEDICAL

PepsiCo's two key medical options are Healthy Advantage and Core Plus.

HEALTHY ADVANTAGE - The Healthy Advantage Option is a consumer-directed high deductible health plan that provides quality coverage and is paired with a Health Savings Account, or HSA. The HSA provides a tax-advantaged way to help you pay health care expenses now or into retirement. Depending on where you live, the option is available through either Anthem Blue Cross and Blue Shield or UnitedHealthcare.

CORE PLUS - Core Plus is a more traditional health plan that offers a lower deductible, but higher per paycheck cost for coverage. This plan is often paired with a Health Care Reimbursement Account, which you will learn more about on the next page.

A Health Maintenance Organization (HMO) may also be available in your location, giving you a third option.

WHAT'S COVERED? - Both medical options cover the following:

- > Preventive care including annual physicals, well-woman exams and cancer screenings
- > Prescription drugs
- > Maternity care, including access to Cleo, a family support system from pregnancy until your child's first birthday
- > Fertility benefits (including IVF and surrogacy assistance) up to a \$35,000 lifetime maximum benefit
- > Well-baby care including immunizations ...and more.

HEALTH CARE RESOURCES

- > **Health ACE**, your health care advocacy service, is available to help you get the guidance and support you need as you make health care decisions for your entire family.

- > **Telemedicine** services provided through Anthem or UnitedHealthcare, connecting you to high-quality, affordable, health care when your Primary Care Physician isn't available, such as nights and weekends.
- > **Quality and cost comparison tool, Castlight**, helps you compare doctors, facilities and medical services based on the price you'll pay, the quality of their service and patient reviews.
- > **Virtual Second Opinion program**, provided by Consumer Medical, helps you learn more about your condition, make sure your diagnosis is correct and compares treatment options.

DENTAL

Choose between the Basic and Enhanced Dental Options (with network choices of MetLife or Delta Dental). Both options give you the freedom to use any dentist or specialist, any time you need care. In some locations, a dental HMO option may also be available.

VISION

Receive discounted rates for services and supplies if your provider is in the EyeMed network. Even if you do not enroll for vision benefits, vision discounts are available through LensCrafters.

REIMBURSEMENT ACCOUNTS

Health Care Reimbursement Account – Allows you to set aside pre-tax dollars to pay for eligible out-of-pocket health care expenses, such as deductibles. This can help you budget and save money. Note that the Health Care Reimbursement Account is not available if you choose the Healthy Advantage Option. Instead, you are eligible to save money in your Health Savings Account (HSA).

Dependent Care Reimbursement Account – Allows you to set aside pre-tax dollars to pay for day care/elder care expenses for your pre-teen children, disabled spouse/partner and eligible dependents. (This account is not for your dependents' health care expenses.)

LIFE INSURANCE

Company-Provided Life Insurance – PepsiCo provides you with coverage equal to one times your annual eligible pay at no cost.

Optional Life Insurance – You can purchase optional life insurance for yourself and your eligible dependents.

Accidental Death and Dismemberment Insurance (AD&D) – You can purchase coverage for yourself and your eligible dependents.

DISABILITY

Short-Term Disability (STD) – STD coverage provides financial protection if you are disabled and unable to work for a short period of time.

Long-Term Disability (LTD) – LTD coverage provides a benefit if you are disabled and unable to work for more than 26 weeks. Basic LTD coverage replaces 35% of your eligible pay (up to a \$15,000 monthly maximum benefit) and is provided at no cost to you. You can purchase additional LTD coverage, which pays a benefit equal to 60% of your eligible pay.

Note to Salaried Part-Time Employees: Eligibility for STD and LTD coverage varies.

LEGAL

Group Legal Coverage – This option, administered by Hyatt Legal Plans, helps you pay for a variety of common legal services for one low annual fee. The plan covers a range of family and personal matters such as adoption and guardianship, separation, dissolution or divorce, premarital and domestic partner agreements, real estate transactions, simple and living wills and protection of driving privilege, to name a few.

COVERING DEPENDENTS

PepsiCo offers benefits to you and your eligible family members. Extended family members, such as grandchildren, are not eligible for coverage unless you are their legal guardian or have adopted them.

Here’s a look at who is eligible for coverage:

RETIREMENT BENEFITS

It's never too soon to plan for retirement. PepsiCo offers the plans, tools and resources to help you meet your retirement goals. The rest is up to you! Here are benefits you can take advantage of:

AUTOMATIC RETIREMENT CONTRIBUTION

PepsiCo provides you with an Automatic Retirement Contribution, or ARC.² ARC will be a key component of your retirement savings. Here is a summary of key provisions to help you better understand this important benefit and how it fits into your overall retirement plan.

- This benefit is completely funded by PepsiCo and automatically deposited into your 401(k) account. You do not need to contribute to the 401(k) Plan to be eligible for the ARC.
- You will be vested in your ARC balance once you have three years of service.
- The ARC you receive will be based on your age and service. The longer you work for the Company, the higher your ARC, which will range from 2% up to a maximum of 9%.
- The ARC percentage will be determined on a paycheck-by-paycheck basis and will automatically increase as your age plus service increase to the next level.

How your ARC is determined:

If your age + service equal this:	Your ARC as a percent of eligible pay is:
Under 35	2%
35-39	3%
40-44	4%
45-49	5%
50-54	6%
55-59	7%
60-64	8%
65+	9%

- ARC is made beginning with your first paycheck.
- You will not be able to take a distribution of your ARC balance while you are an active employee. Loans are also not available.

401(K) SAVINGS PLAN & MATCHING CONTRIBUTIONS

The PepsiCo 401(k) Savings Plan makes saving for retirement easy, especially with the Company match.² A percentage you choose is deducted from each paycheck (before or after income taxes – you decide) and is put into your 401(k) account at Fidelity. In addition, PepsiCo will match a percentage of your contribution. For each \$1 you put in (up to 4% of your eligible pay as a new hire), PepsiCo puts in 50¢.

If you do not enroll in the 401(k) plan within 60 days of your hire date, you will automatically be enrolled at a contribution rate of 4% with an annual increase of 1% for the next two years, until you reach 6%.

You don't have to be an investment expert.

The plan offers a full range of investment options from conservative funds to aggressive ones, plus a brokerage account. As an alternative to the core funds where you can “pick your own” investments, you also have the option of investing in a target date fund. Target date funds are professionally managed funds that invest more conservatively as you get closer to your expected retirement date (your “target date”).

STOCK PURCHASE PROGRAM

Become a PepsiCo shareholder through convenient payroll deductions. Your payroll deductions will purchase shares of PepsiCo stock at the market price.

- Invest as little as \$5 per week (\$10 per bi-weekly paycheck).
- **No commissions or other fees on purchases or dividends.**
- Once you hold shares in your account, you are entitled to the normal voting and other rights of a PepsiCo shareholder.

²Employees participating in a grandfathered pension plan are not eligible for the Automatic Retirement Contribution or the PepsiCo 401(k) match.
