The Code of Ethics

:30 Audio Spot

Buying or selling a home is a big deal. Literally.

It's one of the largest financial transactions you're likely to make. So work with someone who will work with your best interests in mind. Someone who agrees to operate with transparency, honesty, and fairness — every step of the way.

REALTORS® are members of the National Association of REALTORS® and are bound by a strict code of ethics that requires they put your interests above their own. Because That's Who We R.

Make sure your agent is a REALTOR®.
