

Empower yourself when the power is out!

When natural disasters strike, your home or neighborhood might lose water and power for a while. As a home safety officer, circle the items on this coloring page that you would pack in your home emergency kit. Then, check your answers against the key below.

Answers: Hand-crank radio, flashlight and batteries, first-aid kit, nonperishable food/can opener, pliers/wrench, list of important contacts, important ID/documents, extra batteries, toilet paper/wipes, fire extinguisher, water, fire extinguisher, dust mask, money, cell phone battery backup.
