

**Issue Date: 12 February 2009**

CASE NO.: 2008-SDW-00001

*In the Matter of:*

**GARY WRIGHT,**  
Complainant,

vs.

**CITY OF LAS VEGAS,**  
Respondent.

### **DECISION AND ORDER OF DISMISSAL**

This is an employment protection claim brought under the Safe Drinking Water Act, 42 U.S.C.A. § 300j-9(i). The Complainant submitted an email on November 4, 2008, stating that he has decided to drop all legal action against the City of Las Vegas in this case, due to spiritual and health reasons. No consideration has been offered or paid for the withdrawal, so there is no need to determine whether to approve the withdrawal as a settlement. The Complainant is free to dismiss this matter for personal reasons, which in effect withdraws his request for a hearing. Accordingly, the order of the Deputy Regional Administrator dated November 16, 2007 becomes the final decision of the Secretary of Labor. 29 C.F.R. § 24.106(b).

So ordered.
