Case No. 2008-SOX-00029

**ORDER OF WITHDRAWAL OF OBJECTIONS TO  
ASSISTANT SECRETARY'S FINDINGS AND ORDER**

On April 18, 2008, I issued a *Notice of Hearing and Pre-Hearing Order* in this case, which arises under Section 806 of the Corporate and Criminal Fraud Accountability Act of 2002 (the "Sarbanes-Oxley Act") and the regulations at 29 C.F.R. Part 1980. By fax dated April 25, 2008, the complainant has requested, pursuant to 29 C.F.R. §1980.111(c), "to withdraw [her] notice of appeal and objections to both the Secretary [*sic*] of Labor for Occupational Safety and Health's ("the Secretary") preliminary findings and order dismissing the complaint." The complainant is represented by counsel, and counsel states that the complainant has decided to cease litigating this matter and understands that by terminating this action the Assistant Secretary's determination becomes the final order of the Secretary. Since the complainant understands the consequences of withdrawing her objections to the Assistant Secretary's determination and nonetheless had decided to do so,

***IT IS ORDERED*** that the complainant's objections are withdrawn, and the Assistant's Secretary's findings and order shall become the final decision of the Secretary.
