### **FINAL ORDER DISMISSING PETITION FOR REVIEW**

Connell Resources, Inc., filed a petition for review asking the Administrative Review Board (ARB) to review a September 10, 2013 final decision by the Administrator, Wage and Hour Division, U.S. Department of Labor, denying its request to conform several power equipment operator classifications at proposed rates. On December 10, 2015, Connell Resources filed a motion withdrawing its petition for review. On or about February 3, 2016, the ARB sent to the counsel for the Administrator, a letter informing them of the motion and requesting a response, if any, by February 12, 2016. As counsel for the Administrator did not respond, we **GRANT** the motion and **DISMISS** Connell Resource's petition for review as unopposed.
