ARB CASE NO. 18-011

DATE: FEB - 9 2018

BEFORE: THE ADMINISTRATIVE REVIEW BOARD

ORDER GRANTING DISMISSAL

On January 19, 2018, the Administrator, Wage and Hour Division, United States Department of Labor informed the Administrative Review Board that the Administrator and Respondent Reenders, Inc., had agreed that Reenders's Petition for Review in this case should be dismissed on the grounds that the Wage and Hour Division had not yet issued a final ruling in this matter—a prerequisite to ARB review under the Davis-Bacon and Related Acts and implementing regulations.

Accordingly, in accordance with the parties' agreement, the ARB **DISMISSES** this petition **WITHOUT PREJUDICE** and therefore, with the understanding that Respondent Reenders may file a timely petition for review of Wage and Hour's final decision, should it believe such appeal to be necessary.
