**MICHAEL WILLIAMS,**

**ARB CASE NO. 12-068**

**COMPLAINANT,**

**ALJ CASE NO. 2012-FRS-016**

**v.**

**DATE: February 13, 2015**

**NATIONAL RAILROAD PASSENGER CORP.,**

**RESPONDENT.**

**BEFORE: THE ADMINISTRATIVE REVIEW BOARD**

**ERRATUM**

On December 19, 2013, the Administrative Review Board (ARB) issued a Decision and Order dismissing Williams's complaint as untimely. On December 1, 2014, Williams filed a letter with the Board objecting to some language in the Board decision. On pages three and seven of the decision, the Board stated that Respondent placed Williams on probation in part "for failing to submit to a drug and alcohol test." This was a misstatement of fact. Accordingly, we reissue the decision with the following language to replace the misstatement: "for failing to

administer a random drug and alcohol test to a crew under his management.” In all other respects, the Decision and Order of Remand remains the same.
