ELEMENTS FOR A GREAT OUTDOORS

www.obrienandsons.com

Only Mother Nature has been around the New England landscape longer.

M.E. O'Brien & Sons is a family operated business that takes pride in its carefully built reputation for quality service throughout New England. In business since 1929, we continue to provide our customers with high quality equipment and the exceptional service they deserve. A third generation of the O'Brien family provides the same quality as prior leadership. We constantly strive to ensure that our name is associated only with the finest manufacturers, and courteous service to clients backed by undeviating integrity. O'Brien & Sons represents manufacturers worldwide whose quality embodies the O'Brien criteria.

Long known as "New England's Recreational Specialist," we offer products and capabilities that are wide-ranging. Crucially important to serving the individual needs of our clients are our exceptional custom capabilities. Collaborating with our manufacturers' experts, we have been highly successful in transforming client ideas into reality.

As the only manufacturers' representative in New England to maintain a full-time, professionally staffed office of over 20 employees that include a playground designer and Certified Playground Safety Inspectors, we further maximize our ability to respond rapidly and competently to any client need. Since 2009, we have been a certified Women Business Enterprise registered with the Commonwealth of Massachusetts' State Diversity Office.

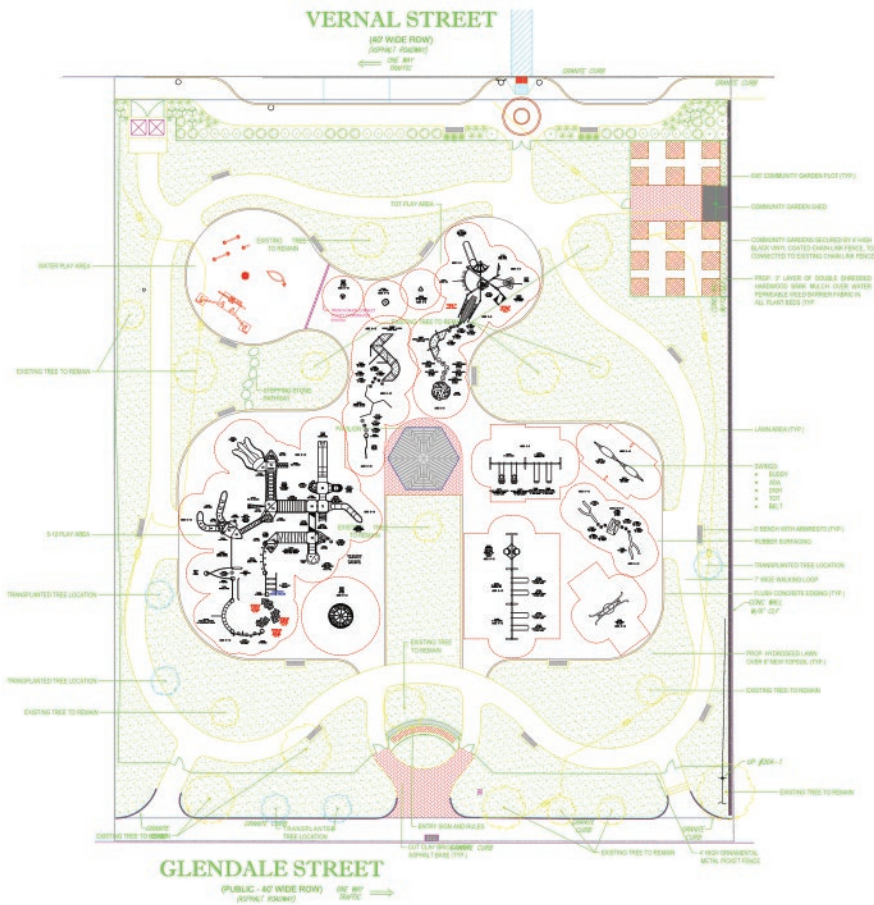

We truly live by our decade's old mission statement that states "The endurance of a company depends on how well it regards its customers. They require value, quality, responsiveness, courtesy, and fairness. Our products and service reflect that fact."

Our service adds to your success.

Complementing our wide array of offerings are the services you need to ensure the success of your project. We'll support you at every phase, from initial site consultation to completion.

That includes providing you with products and designs that meet current regulatory codes, as well as assistance with any special design aesthetic or material your project may require.

A serious selection of play spaces.

When it comes to helping you create well-designed, imaginative and attractive play spaces, we don't kid around. At O'Brien & Sons, we work hard to ensure the success of your project by delivering the utmost in craftsmanship, durability and safety. Second to no one are our inclusive playground designs that are sensory-rich, and enable children to engage and interact on the largest variety of play experiences available. In addition to a vast assortment of quality playground equipment, including aquatic splashpads, we offer an array of shock absorbing surfacing to prevent injuries.

- Landscape Structures, Inc.™
- Vortex Splashpads
- Custom Signs
- Poured-in-Place Surfacing for Playgrounds and Splashpads
- Turf Playground Surfacing
- Engineered Wood Fiber Surfacing

Playground Components, like this We-Go-Round, provide valuable Vestibular Sensory Stimulation and encourage Inclusive Play. Fully wheelchair accessible, the We-Go-Round incorporates bench seating with ample room for wheelchairs.

To create a signature playground, more communities are using unique designs that combine eye-catching aesthetics with built-in play value. Customization can be as simple or as detailed as you like utilizing our many capabilities such as DigiFuse or GFRC to create whimsical or nature-inspired designs.

Unique playgrounds can put your playground on the map and make it a word-of-mouth destination place.

Splashpads offer great ways to play in water. Interactive elements that are both safe and accessible make these aquatic play areas the best choice for water fun.

Musical Play

Inclusive Design

Nature-Inspired Play

Let us assist you with athletic equipment such as basketball outfits, field equipment, baseball bases, backstops and tennis posts.

Inspired by the exploding popularity of high intensity strength training, FitCore Extreme by Landscape Structures is designed to challenge youth, teens and adults to get and stay fit. Providing the best materials, design and value allow us to meet the needs of the users and municipalities.

Recreation equipment with a competitive edge.

For recreation and athletic equipment, O'Brien & Sons is at the top of their game. With the highest quality products available, you can count on year after year of winning performance. From outdoor fitness parks to track and field equipment to bleachers and seating, O'Brien & Sons satisfies the needs of both athletes and spectators alike.

- Douglas
- Gill Athletics
- Jaypro™
- P.W. Athletic
- National Recreation Systems, Inc.
- Landscape Structures
- TrueBounce

Bleachers come in a variety of designs options. Elevated, non-elevated, ramps for accessibility, press boxes and bleacher size are just a few things to think about.

For site structures, we've got you covered.

O'Brien & Sons is a natural for protection from the elements. Representing the best building and shelter manufacturers, our site structures are as practical as they are attractive. Quality constructed, with a wide choice of both innovative and classic designs, they can meet various needs and embellish any landscape. Whether you're looking for trellises, shelters, gazebos or the latest in sun and heat protection, you can be comfortable choosing O'Brien & Sons.

- Poligon
- Shade Systems
- Cedar Forest Products
- SkyWays
- CEAS+

Fabric Shade Structures provide sun protection with heavy duty U.V. screening to protect people and property from the harmful effects of overexposure.

Wood structures can include laminated beams, tongue-and-groove sub-roofs and a variety of roofing materials from shingles to standing seam metal.

Trellises offer functionality and aesthetics with opportunities for vegetation or partial shade.

The natural choice for anything man-made outdoors.

Only Mother Nature has more ways to beautify your landscape. O'Brien & Sons is the only source you need for aesthetically pleasing elements which can add architectural interest, as well as safety to your site.

- Ironsmith Tree Grates, Guards and Bollards
- Murdock Drinking Fountains and Bottle Fillers
- PLP Composite Flagpoles

Commercial grade flagpoles, manufactured from fiberglass, range in size and style to offer a full-range of choices for any project.

Tree Grates not only beautify landscapes, but also help to maintain clean, safe walkways and promote healthy trees.

Drinking Fountains and Bottle Fillers are a must for trails, parks and playground areas.

“The endurance of a company depends
on how well it regards its customers.
They require value, quality, responsiveness,
courtesy, and fairness. Our products and
services reflect that fact.”
