

## Why participate?

We want to understand social workers' experiences as they share the unique reality of practice in Northern Ontario health care settings. This research seeks to represent the experiences of social workers and apply this knowledge to social work practice and education.

Participants will receive a \$25 Amazon e-gift card and be entered into a draw for social work themed stationary valued at \$50.

## How it works?

You will be asked to participate in an interview as a key informant on the experiences of social workers in interprofessional collaborative practice in Northern Ontario healthcare settings.

This interview will take place virtually using Zoom and will take approximately 90 minutes to complete. This is a 1:1 interview with the researcher using pre-established questions. The interview will be audio recorded and notes of the interview may be taken. You will be asked to approve a copy of your transcript.

## How to participate?

Send an email to express interest to: [jy\\_bailey@laurentian.ca](mailto:jy_bailey@laurentian.ca)

Please include your name, contact information, practice location, and setting.

Participation is voluntary. Participants can withdraw from the study at any time.

# Social Workers' Experiences in Interprofessional Collaborative Practice within Northern Ontario Healthcare Settings

**Opportunity to share your practice  
experience by participating in  
research.**

## Who is eligible?

Registered Social Workers who are practicing in Northern Ontario health care settings.
