Location & Local Information

Méribel is one of the famous Three Valleys ski village resorts, with it being one of the largest and most well-known. It's considered to have some of the best skiing anywhere in the world, so it's not hard to see why the resort is so popular.

Méribel also has a centre full of shops, bars, nightclubs and restaurants to keep visitors entertained by day and by night. It's just a 10-minute walk from the chalet. You can easily get around the resort with the fast, modern ski lifts available. A free shuttle service that takes you to the main lift centre in the Chaudanne area stops close to the chalet also.

The resort has two incredibly popular bars, with one of them being less than a five-minute drive away, and the other around 10 minutes. Make the most of the driver service that comes with the chalet to enjoy lively après ski and live music long into the night.

If you're a beginner skier, head to the Altiport pistes, as you'll find them the wide nursery slopes best to start with. Those with other levels of ability will also find plenty of runs to suit their experience.

As well as getting to enjoy some of the best skiing in the area, Meribel also offers lots of other fun, outdoor activities. There's snow-shoe walking, hot air ballooning, and chances to ride snowmobiles around the resort and go on horse-drawn sleigh rides.

The Olympic sports complex is great for enjoying activities indoors. There's a swimming pool, bowling alley, climbing wall, ice rink, gym and spa.
