

LAMBEAU FIELD ART TOUR

MAKE YOUR LEGENDARY EXPERIENCE UNIQUE

Explore the "Green Bay Packers Collection" art installation featured throughout the hallways of historic Lambeau Field. This tour provides insight about the artists, their pieces, Packers history and access to a variety of locations in the stadium that are not included on our typical Stadium Tours.

The Collection has nearly 150 pieces of original artwork by 20 artists many of whom have close ties to Wisconsin. The artists worked in their mediums of choice, from sketches to watercolor, mixed media to oil on canvas, assemblage, and more, and created one-of-a-kind pieces that pay homage to this historic franchise, its fans and the community. The Collection also features over 300 photographs from a variety of archives, including the *Green Bay Press-Gazette*, Pro Football Hall of Fame and Neville Public Museum.
