Guest Checkout Availability for Recurring Payments.

With this functionality, you will be able to offer Recurring Payments to all of your customers, instead of only those customers paying you through their PayPal account. If your customer's credit or debit card expires, then your customer's Recurring Payments

You agree to allow PayPal to charge your PayPal account every month in advance for fees that become due under this Agreement. In the event that PayPal is unable to withdraw the monthly fee from your PayPal account, PayPal may terminate your use of PayPal Payments Standard within 30 days of the date that the monthly fee was due and you will remain obligated to pay PayPal for any unpaid amounts. All monthly fees are non-refundable.

If you have signed up for the Enhanced Recurring Payments Services pursuant to a promotional period or discounted amount, you agree to pay the monthly fee as stated in this Agreement immediately upon the expiration of the promotional period or discounted amount offered by PayPal.

PayPal reserves the right to terminate this Agreement if you breach the terms of this Agreement, the user agreement, or any other agreement into which you have entered with PayPal.
