PPIC | PUBLIC POLICY INSTITUTE OF CALIFORNIA

Informing and improving public policy through independent, objective, nonpartisan research.

Tammie Shea

IT SERVICES MANAGER

Tammie Shea is the IT services manager for the Public Policy Institute of California. She provides essential IT services for a wide array of institute needs. Her primary focus is managing custom databases that help organize and automate administrative functions, such as contact management and staff outreach activities. In addition, she provides technical support and software training, and serves as a liaison between IT and other departments within the institute.
