

The Office of the New York State Comptroller has prepared and begun the distribution of **2023 W-2** forms. The W-2 statements have been sent on **Thursday, January 25, 2024**, to your mailing address on file in CUNYFirst.

Please note that any updates or changes to your home and mailing addresses done after January 1st, 2024 will not change the address your 2023 W-2 will be sent to.

If you need to update your address, it is recommended that you do so by utilizing the Employee Self-Service module in CUNYFirst and update **both** the **Home** and **Mailing** address fields:

- Log into CUNYfirst
- Employee Self Service
- Personal Details
- Addresses
 - Home and Mailing Address

You can also view and obtain your W-2 and historical pay information by creating and activating a New York State Payroll Online (NYSPO) account. Please follow the instructions [here](#) on getting started and troubleshooting any issues.

Any questions or concerns can be emailed to ohr.payroll@qc.cuny.edu.
