Together, America Prospers

USDA Rural Development at a Glance

Rural America's Partner in Prosperity

USDA Rural Development invests in rural America with loan, grant, and loan guarantee programs because we understand a strong community is rooted in its people. The commitment and resources we bring to rural communities helps drive economic security and prosperity. Our programs expand access to high-speed internet, electric, and transportation infrastructure, and support business growth, healthcare, education, housing, and other community essentials.

We stand ready to be your partner in prosperity for rural America. Contact us today to learn more and connect with the local USDA Rural Development team that serves your area:

USDA Rural Development Summary of Programs

Rural Housing Service | Single Family Housing

Program	Overview	Applicant	Population	Additional Information
Housing Preservation Grants	Repairs housing owned or occupied by low income rural families. Funds can be used to operate a program that finances repair activities for single-family and small rental properties.	State and local governments, nonprofits, and federally recognized Tribes	Rural areas with populations of 20,000 or fewer	Program Type: Grant Website: https://go.usa.gov/xzDsY
Individual Water and Wastewater Grants for Colonias	Provides funding to offset the cost of connecting residential water and waste service lines, pay utility hook-up fees, and install plumbing and related fixtures	Must own and occupy a home in an eligible-area Colonia recognized prior to October 1989, and have a taxable income below the most recent poverty guidelines	Colonias must be located in an unincorporated rural area with a population of 10,000 or fewer.	Program Type: Grant Terms and Conditions: Only available in designated Colonias in Arizona, California, New Mexico, and Texas. Website: https://go.usa.gov/xzDH9
Mutual Self-Help Housing Technical Assistance Grants	Provides funding to qualified organizations who offer technical assistance to train groups how to build their own and each others' homes	Private organizations, nonprofits, government organizations, and federally recognized Tribes	Rural areas with populations up to 20,000 (In special circumstances, communities with populations up to 35,000 can apply.)	Program Type: Grant Website: https://go.usa.gov/xzD6T
Single Family Housing Direct Home Loans	Provides mortgage financing for applicants to buy, build, improve, or repair an eligible rural home as their primary residence	Families and individuals with an adjusted income at or below the low-income limit for the area	Rural areas with populations up to 20,000 (In special circumstances, communities up to 35,000 can apply).	Program Type: Direct Loan Terms and Conditions: Loans can cover up to 100 percent of the home's market value, with terms of 33 – 38 years. Applicant may be eligible for payment assistance (subsidy) on the loan. Website: https://go.usa.gov/xzD6P

Rural Housing Service | Single Family Housing (continued)

Program	Overview	Applicant	Population	Additional Information
Single Family Housing Home Loan Guarantees	Helps low- to moderate-income applicants buy a home by guaranteeing loans made by private lenders. Eligible applicants can get up to 100 percent financing to buy, build, improve, or even relocate a dwelling.	Families and individuals with an income not exceeding 115 percent of the median household income for the purchase area of the home	Rural areas with populations up to 20,000 (In special circumstances, communities with populations up to 35,000 can apply.)	Program Type: Loan Guarantee Terms and Conditions: A down payment is not required. Website: https://go.usa.gov/xzD66
Single Family Housing Repair Loans and Grants	Helps lower-income homeowners to repair, improve, or modernize their home. Loan funds can be used for roofing, heating and cooling systems, structural repairs or to offset the cost of water or waste disposal connection fees.	Homeowners who occupy the house, and have a household income that does not exceed the very-low income limit in the county in which your home is located	Rural areas with populations up to 20,000 (In special circumstances, communities up to 35,000 can apply).	Program Type: Direct Loan and grant. Terms and Conditions: 1-percent-interest loans up to \$40,000. Grants available to very-low-income applicants ages 62 years or older unable to pay a 1 percent loan. Website: https://go.usa.gov/xhq24
Rural Housing Site Loans	This revolving loan fund provides site loans for applicants below the moderate income limit using conventional construction methods or the self-help housing method, in which families build each other's homes. Conventional building sites can be developed and sold to low- and moderate-income applicants using USDA Rural Housing Service programs or any other mortgage financing program that serves those applicants below the moderate income limit.	Conventional building sites: Private and public nonprofit organizations, and federally recognized Tribes Self-help method sites: Private and public nonprofit organizations solely dedicated to self-help housing, and federally recognized Tribes	Check the Income and Property Eligibility at this site: https://go.usa.gov/xhqbC	Program Type: Loan Terms and Conditions: Self-help method loans are for 2 years at a 3 percent, fixed-interest rate. Conventional construction method loans are published monthly and fixed at closing. Website: https://go.usa.gov/xzDFn

Rural Housing Service | Multifamily Housing

Program	Overview	Applicant	Population	Additional Information
Housing Preservation Grants (multifamily component)	Repairs housing owned or occupied by low income rural families. Grants can be used to repair or replace roofs, insulation, heating and cooling systems, or water and waste disposal systems, or to build or improve accessibility features.	Rental property owners, government organizations, nonprofits, and federally recognized Tribes	Rural areas with populations up to 20,000	Program Type: Grant Website: https://go.usa.gov/xzDsY
Multifamily Housing Direct Loans	Finances affordable multifamily rental housing for low-income, elderly, or disabled individuals and families. Funds can be used to buy and improve land, and to build, improve, or purchase existing multifamily housing.	Government organizations, federally recognized Tribes, individuals, trusts, associations, partnerships, for-profit organizations, nonprofits and cooperatives	Designated eligible rural places and RD Multifamily Housing contacts available at: https://go.usa.gov/xh3mB .	Program Type: Direct Loan Terms and Conditions: Up to a 30-year payback period. Website: https://go.usa.gov/xzDJc
Multifamily Housing Loan Guarantees	Guarantees loans from private-sector lenders to increase the availability of affordable rental housing for low- and moderate-income people. Funds can be used to buy and improve land, and to build, rehabilitate, or purchase existing multifamily housing.	Private lenders may apply for a loan guarantee on loans made to eligible borrowers who are building or preserving affordable rural rental housing.	Rural areas with populations of 35,000 or fewer	Program Type: Loan Guarantee Terms and Conditions: Minimum term of 25 years and maximum term of 40 years. Total development cost borrowed cannot exceed 90 percent (for-profits); 97 percent (nonprofits) Website: https://go.usa.gov/xzDSB
Multifamily Preservation and Revitalization Loans and Grants	Funds loan restructuring for existing USDA Rural Rental and Off-Farm Labor Housing projects to improve safe, affordable rental housing. Funds can be used for debt deferral, soft-second mortgage or zero-interest loans.	Current owners of USDA Multifamily Direct or Farm Labor Housing properties, and certain prospective buyers	N/A	Program Type: Loan or grant. Website: https://go.usa.gov/xzDzw
Multifamily Nonprofit Transfer Technical Assistance Grants	Provides assistance to preserve affordable rental housing by transferring existing RD Multifamily Housing Direct Loan properties from current owners to nonprofits or PHAs. Funding can be used for consultation, non-construction services, financial analysis, appraisals, and market surveys.	Public and private organizations, nonprofits, public housing authorities, Tribal housing nonprofits, and Tribally-designated housing organizations	Rural areas with populations up to 20,000	Program Type: Grant Website: https://go.usa.gov/xzDSs

Rural Housing Service | Multifamily Housing (continued)

Program	Overview	Applicant	Population	Additional Information
Multifamily Housing Rental Assistance Program	Provides rental assistance payments paid directly to the owners of USDA-financed Rural Rental or Farm Labor Housing projects on behalf of eligible tenants who cannot afford to pay their full rent	New or existing, nonprofit or limited-profit USDA-financed properties	N/A	Program Type: Rental assistance Website: https://go.usa.gov/xzDhB
Multifamily Housing Tenant Vouchers	Rent vouchers can be used to supplement rent payments at a former USDA-financed property, or at any unsubsidized rental unit in the United States that meets USDA standards and agrees to accept the voucher	Tenants in rental properties in which a USDA-financed Multifamily Housing Direct Loan ended earlier than its original maturity date	N/A	Program Type: Rental assistance Terms and Conditions: Funds are paid directly to property owners on the tenant's behalf. Website: https://go.usa.gov/xzDhd
Off-Farm Labor Housing Direct Loans and Grants	Provides affordable financing to develop housing for farm workers. Funds can be used to buy or improve land, for new construction, to rehabilitate existing rental housing in lower-income areas, or to purchase household furnishings.	Farmers and family farm corporations, farmers' or farm workers' associations, nonprofits, state and local governments, and federally recognized Tribes	N/A	Program Type: Direct loans and grants Terms and Conditions: 33 years at a 1 percent interest rate. Loans can cover up to 100 percent of total development costs. Grants are need-based and cannot exceed 90 percent of the total project cost. Website: https://go.usa.gov/xzDtP
Off-Farm Labor Housing Technical Assistance Grants	Provides funds for applicants of USDA RD Farm Labor Housing loans and grants. Funds can be used to pay for technical assistance during the application process, loan underwriting and closing, and to offset certain transaction costs.	Public and private nonprofit organizations	N/A	Program Type: Grant Website: https://go.usa.gov/xzWqA
On-Farm Labor Housing Loans	Provides financing to develop or rehabilitate rental housing for lower-income domestic, migrant, and seasonal farm laborers	Individuals, partnerships, and family farm corporations	N/A	Program Type: Loan Terms and Conditions: 33 years at a 1 percent interest rate. No loan minimum. Loans can cover up to 100 percent of the total development cost. Website: https://go.usa.gov/xzW3q

Rural Housing Service | Community Facilities

Program	Overview	Applicant	Population	Additional Information
Community Facilities Direct Loans, Grants and Guarantee Loans	Funds to improve, construct, develop, or finance essential community facilities for rural communities such as hospitals, clinics, nursing homes, certain schools, child care centers, fire and rescue, public safety facilities, libraries, and town halls	Government organizations, community-based nonprofits, and federally recognized Tribes	Rural areas with populations of 20,000 or fewer for direct loans and grants; 50,000 or fewer for loan guarantees	<p>Program Type: Direct loans, grants and loan guarantee</p> <p>Direct loan and grant website: https://go.usa.gov/xzDvz</p> <p>Loan Guarantee website https://go.usa.gov/xzDw7</p>
Community Facilities Relending Program	Loans to lenders who then re-lend to applicants to fund essential community facilities in high- or persistent-poverty rural areas. Funds can be used to buy, build, or improve facilities such as hospitals, clinics, nursing homes, town halls, courthouses, child care centers, fire departments, museums, and libraries.	Government organizations, community nonprofits, and federally recognized Tribes	Lenders can be located anywhere in the U.S. Community facility must be in a rural area with a population of 20,000 or fewer.	<p>Program Type: Loans</p> <p>Terms and Conditions: Fixed interest rates and terms up to 40 years. Terms of the loan from the re-lender to the applicant are negotiated between those parties.</p> <p>Website: https://go.usa.gov/xzDfD</p>
Community Facilities Technical Assistance and Training Grants	Grants to identify and plan for community facility needs. Grant funds can be used to identify public and private financial resources, prepare reports, surveys, and applications, and to improve the operational and financial management of existing community facilities	Government organizations, nonprofits, and federally recognized Tribes	Rural areas with populations of 20,000 or fewer	<p>Program Type: Grant</p> <p>Terms and Conditions: Maximum grant award is \$150,000, with no match required. However, award preference is given to applicants who can provide cash matching funds.</p> <p>Website: https://go.usa.gov/xzDG9</p>
Economic Impact Initiative Grants	Develops essential community facilities in rural communities enduring extreme unemployment and severe economic depression. Funds can be used to build, improve, or enlarge facilities used for health care, public safety, and public service.	Government organizations, nonprofits, and federally recognized Tribes	Rural areas outside of cities or towns with populations of 20,000 or fewer	<p>Program Type: Grant</p> <p>Terms and Conditions: EIIGs can be combined with USDA Community Facilities Direct or Guaranteed Loans, an applicant contribution, or other sources of funding</p> <p>Website: https://go.usa.gov/xzD7g</p>
Emergency Rural Health Care Grants	Grants to broaden access to COVID-19 testing and vaccines, rural health care services, and assistance to food banks and distribution facilities	Government organizations, community-based nonprofits, and federally recognized Tribes	Rural areas with populations of 20,000 or fewer	<p>This grant is part of the American Rescue Act.</p> <p>Program Type: Grant</p> <p>Website: https://go.usa.gov/xuqjt</p>

Rural Housing Service | Community Facilities (continued)

Program	Overview	Applicant	Population	Additional Information
Rural Community Development Initiative Grants	<p>Facilitates housing, community facilities, and community and economic development projects. Grant funds can cover training sub-grantees to conduct homeownership or minority business entrepreneur education, providing technical assistance to sub-grantees on strategic plan development, researching and identifying alternative funding sources, preparing boards of directors, and creating training tools such as videos, workbooks or reference guides.</p>	<p>Government organizations, nonprofits, and certain private, for-profit organizations in rural areas</p>	<p>Rural areas with populations of 50,000 or fewer including any urbanized area neighboring it</p>	<p>Program Type: Grant</p> <p>Terms and Conditions: Grants range from \$50,000 - \$250,000, and there is a matching fund requirement equal to the amount of the grant award.</p> <p>Website: https://go.usa.gov/xzD7M</p>
Tribal College Initiative Grants	<p>Funds capital improvements to educational facilities and for cultural projects at 1994 Land Grant Institutions (Tribal Colleges). Funds can be used for infrastructure development or upgrades, along with equipment purchases for schools, libraries, and dormitories.</p>	<p>Tribal Colleges listed in Section 7402 of the Agricultural Act of 2014</p> <p>(Available at this link: https://go.usa.gov/xzDAK - PDF)</p>	<p>N/A</p>	<p>Program Type: Grant</p> <p>Terms and Conditions: Grants of up to \$250,000. A minimum five percent match is required. Partnerships with other federal, state, local, private, and nonprofit organizations are encouraged.</p> <p>Website: https://go.usa.gov/xzD7S</p>

Rural Utilities Service | Energy

Program	Overview	Applicant	Population	Additional Information
Denali Commission High Energy Cost Grants	Assists the Denali Commission to lower energy costs for people who live in areas with exceptionally high, per-household energy bills – at least 275 percent higher than the national average. Grants can be used to finance energy generation, transmission, and distribution.	For-profit organizations, nonprofits, sole proprietors, government organizations, and federally recognized Tribes	N/A	<p>Program Type: Grant</p> <p>Denali Commission Website: https://www.denali.gov/</p> <p>Website: https://go.usa.gov/xzWcc</p>
Distributed Generation Energy Project Financing	Provides loans and loan guarantees to eligible developers of distributed energy projects that provide wholesale or retail electricity to existing USDA RD Electric Program borrowers, or to rural communities serviced by other utilities	Energy project developers for distributed energy projects, and USDA RD Electric Program borrowers or other utilities that serve rural areas	N/A	<p>Program Type: Loans and loan guarantees</p> <p>Website: https://go.usa.gov/xzWc5</p>
Electric Infrastructure Loans and Loan Guarantees	Finances the construction of electric distribution, transmission, and generation facilities so rural communities an access affordable, high-quality electric service	Government organizations, federally recognized Tribes, nonprofits, cooperatives and limited dividend or mutual associations, for-profit corporations and LLCs	Areas served by an existing rural electric borrower in a city or town with a population of 20,000 or fewer	<p>Program Type: Loans and loan guarantees</p> <p>Website: https://go.usa.gov/xzWxc</p>
Energy Efficiency and Conservation Loans	Provides pass-through funding for energy efficiency and conservation projects for residential, commercial, and industrial consumers in rural areas	Electric utility companies serving rural areas, existing Rural Utilities Service Electric Program borrowers	<p>Rural areas with populations 20,000 and fewer.</p> <p>Eligible communities can be combined into larger service areas</p>	<p>Program Type: Loans</p> <p>Terms and Conditions: Repayment period is 15 years unless geothermal ground-loop source investments or technology have a longer lifespan.</p> <p>Website: https://go.usa.gov/xzWxP</p>

Rural Utilities Service | Energy (continued)

Program	Overview	Applicant	Population	Additional Information
Energy Resource Conservation Program	<p>Helps current Rural Utilities Service borrowers make funds available to their consumers for energy conservation and renewable energy projects by deferring payment of principal and interest</p>	<p>Current Rural Utilities Service Electric Program borrowers with direct loans</p>	<p>N/A</p>	<p>Program Type: Loan</p> <p>Terms and Conditions: Deferment terms vary, and are based on the principal balance of the existing loan.</p> <p>Website: https://go.usa.gov/xzWa2</p>
High Energy Cost Grants	<p>Helps energy providers lower energy costs for people in areas with extremely high per-household energy costs. Among other things, funds can be used to finance the acquisition, construction, or improvement of electric generation and transmission facilities, and to implement renewable energy generation and energy efficiency and conservation measures</p>	<p>Power supply providers serving eligible rural areas including government organizations, federally recognized Tribes, cooperatives and limited dividend or mutual associations, and for-profit businesses</p>	<p>N/A</p>	<p>Program Type: Grant</p> <p>Website: https://go.usa.gov/xzWaF</p>
Rural Energy Savings Program	<p>Provides loans to rural utilities and other companies that offer energy efficiency loans to qualified consumers to implement durable cost-effective energy efficiency measures</p>	<p>Entities that provide retail electric service to rural areas, current and former USDA Rural Development Rural Utilities Service Electric Service program borrowers or their subsidiaries</p>	<p>N/A</p>	<p>Program Type: Loans</p> <p>Terms and Conditions: 20 years at 0 percent interest, and up to 5 percent interest for relending to qualified consumers for up to 10 years</p> <p>Website: https://go.usa.gov/xzWCt</p>
State Bulk Revolving Loan Fund	<p>Helps state governments establish revolving loan funds to provide a cost-effective way to purchase bulk fuel for remote communities not served year-round by standard surface transportation such as highways, railways, or waterways</p>	<p>State governments</p>	<p>N/A</p>	<p>Program Type: Loans</p> <p>Website: https://go.usa.gov/xzWrk</p>

Rural Utilities Service | Telecommunications

Program	Overview	Applicant	Population	Additional Information
Community Connect Grants	<p>Provides broadband service in rural, economically-challenged communities where internet service does not yet exist. Funds can also cover costs to provide broadband service to critical community facilities for 2 years.</p>	<p>Government organizations, federally recognized Tribes, nonprofits, cooperatives, private corporations, for-profit entities</p>	<p>Rural areas with low-speed or no broadband services</p>	<p>Program Type: Grant</p> <p>Terms and Conditions:</p> <p>Website: https://go.usa.gov/xzWYZ</p>
Distance Learning and Telemedicine Grants	<p>Funds development and deployment of advanced telecommunication services throughout rural America to improve education and healthcare. Funds can be used to buy equipment to deliver distance learning and telemedicine services and pay for instructional programming, technical assistance, and training.</p>	<p>Government organizations, nonprofits, and federally recognized Tribes</p>	<p>Rural areas outside incorporated or unincorporated cities with populations up to 20,000.</p>	<p>Program Type: Grant</p> <p>Terms and Conditions: Minimum 15 percent match required that cannot come from other federal sources</p> <p>Website: https://go.usa.gov/xzWYU</p>
ReConnect Loans and Grants	<p>Expands broadband service to rural areas without sufficient broadband access. Funds can be used to construct, improve, acquire broadband and terrestrial satellite broadband facilities and equipment, and for pre-application expenses.</p>	<p>Nonprofits, for-profit corporations, LLCs, cooperatives, partnerships, government organizations, federally recognized Tribes</p>	<p>Rural areas where – depending on the funding category – 50 to 90 percent of the households lack sufficient broadband access</p>	<p>Program Type: Loans, grants</p> <p>Website: https://www.usda.gov/reconnect</p>

Rural Utilities Service | Telecommunications (continued)

Program	Overview	Applicant	Population	Additional Information
<p>Rural Broadband Loans, Loan and Grant Combinations, and Loan Guarantees</p>	<p>Provides funds for the construction, improvement, or purchase of facilities and equipment needed to provide service at the broadband lending speed in eligible rural areas</p>	<p>Nonprofits, corporations, LLCs, cooperatives or mutual organizations, government organizations, federally recognized Tribes</p> <p>Individuals and partnerships are not eligible.</p>	<p>For loan and grant combinations, at least 90 percent of the households in the proposed service area must not have access to broadband service. For loans and loan guarantees, the service threshold is 50 percent.</p>	<p>Program Type: Loans, Grants, Loan Guarantees</p> <p>Website: https://go.usa.gov/xzWYG</p>
<p>Telecommunications Infrastructure Loans and Loan Guarantees</p>	<p>Funds to build, maintain, improve, or expand telephone and broadband service in rural areas</p>	<p>Telecommunications providers</p>	<p>Rural areas with a population of 5,000 or fewer</p>	<p>Program Type: Loans and loan guarantees</p> <p>Terms and Conditions:</p> <p>Cost-of-money loans: Fixed rate at current rates depending on loan maturity at time of each advance</p> <p>Loan Guarantees: Fixed rate primarily from the Federal Financing Bank (FFB). Interest rates (Treasury rate plus 1/8 of a percent) vary depending on call options and the interim maturity rate selected at each advance</p> <p>Hardship loans: Fixed interest rate of 5 percent for up to 20 years; requires special qualifications</p> <p>Website: https://go.usa.gov/xzWgX</p>

Program	Overview	Applicant	Population	Additional Information
Circuit Rider Program – Technical Assistance for Rural Water Systems	Provides technical assistance to rural water systems experiencing day-to-day operational, financial or managerial issues	Government organizations, nonprofits, or Tribes with legal authority to own and operate the water facility	Rural areas with a population of 10,000 or fewer	Program Type: Grant Terms and Conditions: Rural water system officials may request assistance from the National Rural Water Association State Association or the local Rural Utilities Service office. Website: https://go.usa.gov/xzBKr
Emergency Community Water Assistance Grants	Helps eligible communities prepare – or recover from – an emergency that threatens the availability of safe, reliable drinking water. Grants can be used for maintenance, to build waterline extensions, repair breaks or leaks in existing distribution lines, and to build intake or treatment facilities.	Local government organizations, nonprofits and federally recognized Tribes	Rural areas with a population of 10,000 or fewer	Program Type: Grant Terms and Conditions: Water transmission line grants maximum is \$150,000. Water source grants maximum is \$1 million. Partnerships with other federal, state, local, private and nonprofit entities are encouraged Website: https://go.usa.gov/xzB8U
Grants for Rural and Native Alaskan Villages	Provides remote Alaskan villages provide safe, reliable drinking water and waste disposal systems to households and businesses. Must be used to improve dire sanitation conditions like waterborne communicable disease, hauling water to – or human waste from – homes, or using outhouses because no community-wide water and sewer system exists.	Rural Alaskan villages or hubs The State of Alaska also can apply on behalf of eligible villages or hubs.	Rural areas with a population of 10,000 or fewer	Program Type: Grant Website: https://go.usa.gov/xh3pd
Revolving Funds for Financing Water and Wastewater Projects	Provides revolving loan funds to extend and improve water and waste disposal systems. Funds can be used for pre-development costs, and for short-term small capital improvement projects not part of regular operations and maintenance.	Nonprofits	Rural areas with populations less than 10,000 or fewer	Program Type: Loan Terms and Conditions: Maximum loan per borrower is \$200,000. Maximum term is 10 years. Interest rate determined by the nonprofit that manages the revolving loan fund Website: https://go.usa.gov/xJDZu

Rural Utilities Service | Water and Environment (continued)

Program	Overview	Applicant	Population	Additional Information
Rural Decentralized Water Systems Grant Program	Increases access to clean, reliable water and septic systems for households in eligible rural areas. Funds can be used to build, refurbish, or service individually owned household water well and wastewater systems.	Nonprofits, Colonias, and federally recognized Tribes	Rural areas with populations of 50,000 or fewer	Program Type: Grant Terms and Conditions: A 10 percent match is required and may not be an in-kind match. Website: https://go.usa.gov/xzBn5
Special Evaluation Assistance for Rural Communities and Households Grant (SEARCH)	Helps small, financially distressed rural communities pay for predevelopment feasibility studies, design, and technical assistance on proposed water and waste disposal projects. Funds can be used to support proposed projects to build or improve rural water, wastewater, solid waste disposal, or storm water disposal facilities, or to make public or private improvements.	Government organizations, nonprofits, and federally recognized Tribes	Rural areas with populations of 2,500 or fewer and with median household incomes below the poverty line or less than 80 percent of the statewide nonmetropolitan median household income	Program Type: Grant Website: https://go.usa.gov/xzBQD
Solid Waste Management Grants	Reduces or eliminates water pollution by providing funding for technical assistance or training to improve the planning and management of solid waste sites. Funds can be used to provide technical assistance and training and to evaluate and improve current landfill conditions to protect against threats to nearby water resources.	Government organizations, nonprofits federally recognized Tribes, and academic institutions	Rural areas with populations of 10,000 or fewer	Program Type: Grant Terms and Conditions: Projects should be completed in 12 months. Matching funds are not required for this grant, however, applicant and in-kind contributions are recommended. Website: https://go.usa.gov/xzBE7
Technical Assistance and Training for Innovative Regional Wastewater Treatment Solutions Grant Pilot Program	Helps historically impoverished rural communities find innovative solutions to wastewater treatment systems in areas with nonoptimal soil conditions	Consortias, academic health and research institutes, and economic development organizations	Rural areas with populations of 10,000 or fewer	Program Type: Grant Terms and Conditions: Applicants must include a regional university – or the scope of work must include coordinating with a regional university. Website: https://go.usa.gov/xzBPX

Rural Utilities Service | Water and Environment (continued)

Program	Overview	Applicant	Population	Additional Information
Water and Waste Disposal Grants to Alleviate Health Risks on Tribal Lands and Colonias	Helps low-income communities facing significant health risks get safe, reliable drinking water and waste disposal facilities and services. Funds can be used to build basic drinking water and waste disposal systems.	Local governments, nonprofits, utility districts serving Colonias, and federally recognized Tribes	Rural areas with populations fewer than 10,000, Colonias and Tribal lands	Program Type: Grant Website: https://go.usa.gov/xzBmK
Water and Waste Disposal Loans and Grants	Provides funding for clean and reliable drinking water systems, sanitary waste water and solid waste disposal, and storm water drainage to households and businesses. Funds can be used to buy, build, repair, and improve public water and waste treatment and collection systems.	Government organizations, nonprofits, and federally recognized Tribes	Rural areas with populations fewer than 10,000, Colonias and Tribal lands	Program Type: Loans, grant (if available) Terms and Conditions: The loan term will not exceed 40 years. Website: https://go.usa.gov/xzBUD
Water and Waste Disposal Loan Guarantees	Helps private lenders provide affordable financing to improve access to clean, reliable water and waste disposal systems for households and businesses in rural areas. Funds can be used to build or improve facilities for drinking water, wastewater treatment and solid waste disposal, and storm water drainages.	Banks, savings and loans institutions, farm credit banks, credit unions	Rural areas with populations of 50,000 or fewer	Program Type: Loan guarantee Terms and Conditions: The loan term will not exceed 40 years. Interest rates negotiated between the lender and borrower. Website: https://go.usa.gov/xzBUs
Water and Waste Disposal Predevelopment Planning Grants	Helps low-income communities with the initial planning and development of applications for USDA Rural Development Water and Waste Disposal Direct Loan and Grant or Loan Guarantee programs	Governments organizations, nonprofits, and federally recognized Tribes	Rural areas with populations of 10,000 or fewer	Program Type: Grant Terms and Conditions: Maximum grant amount is \$30,000, or 75 percent of predevelopment planning costs Website: https://go.usa.gov/xzBym
Water and Waste Disposal Technical Assistance and Training Grants	Funds technical assistance and training to water and waste disposal operations to identify solutions to sourcing, storage, treatment, distribution, collection, and disposal. Helps applicants prepare water and waste disposal loan and grant applications, and helps associations improve the operation and maintenance of water and waste facilities	Nonprofits	Rural areas with populations of 10,000 or fewer	Program Type: Grant Terms and Conditions: This is a reimbursement grant. Website: https://go.usa.gov/xzBym

Rural Business-Cooperative Service

Program	Overview	Applicant	Population	Additional Information
Agriculture Innovation Center Program	Funds technical assistance for agriculture innovation centers to develop and market value-added agricultural products. Funds can be used for center operations, business development, marketing, financial services, engineering services, and connecting producers to distribution and processing facilities, or commercial kitchens and more.	Government organizations, federally recognized Tribes, institutions of higher education, nonprofits for-profit organizations	N/A	<p>Program Type: Grant</p> <p>Terms and Conditions: Maximum grant amount in \$1 million. Matching funds are required for at least one-third of the total project budget.</p> <p>Website: https://go.usa.gov/xzDXm</p>
Business and Industry CARES Act Program	Makes loan guarantees to lenders for their loans to rural businesses and agricultural producers to supplement working capital to prevent, prepare for and respond to COVID-19 economic impacts	Banks, savings and loans institutions, farm credit banks, credit unions	Businesses receiving loan guarantees must be in rural areas with populations of 50,000 or fewer. (Lenders can be located anywhere in the U.S.)	<p>Program Type: Loan guarantee</p> <p>Terms and Conditions: Loans can be used only to support rural businesses in operation on or after February 15, 2020.</p> <p>Website: https://go.usa.gov/xzDXv</p>
Delta Health Care Services Grants	Provides financial assistance to address ongoing, unmet health needs in the Delta Region. Funds can be used to develop health care services, education, job training programs, and to develop or expand public health-related facilities in the region.	Regional institution of higher education, academic health and research institute, and economic development organization in the Delta Region	A list of Delta Region states is available at this link: https://go.usa.gov/xzTf7 .	<p>Program Type: Grant</p> <p>Terms and Conditions: Maximum grant amount is \$1 million. Minimum grant amount is \$50,000. There is no matching funds requirement.</p> <p>Website: https://go.usa.gov/xzDXf</p>
Fertilizer Production Expansion Program	Increases or expands the manufacturing and processing of fertilizer, nutrient alternatives, and other nutrient management products and technologies in the United States and its territories	For-profit businesses nonprofits, Tribes, producer-owned cooperatives and corporations, certified benefit corporations, and government organizations	N/A	<p>Program Type: Grant</p> <p>Terms and Conditions: Grant term is 5 years. Maximum award amount is \$100 million. Minimum award amount is \$1 million</p> <p>Website: https://tinyurl.com/jmm2rza4</p>

Rural Business-Cooperative Service (continued)

Program	Overview	Applicant	Population	Additional Information
Food Supply Chain Guaranteed Loan Program	Strengthens critical food supply chains and secures our food system by expanding middle-of-the-food-supply-chain activities like aggregation, processing, manufacturing, storage, transportation, wholesale, or distribution of food	Banks, credit unions, CDFIs, loan funds, and others (Borrowers must be engaged in the middle of the food supply chain; specifically, the aggregation, processing, manufacturing, storing, transporting, wholesaling, or distribution of food.)	Lenders and projects can be located anywhere in the United States.	Program Type: Guaranteed loan Website: https://go.usa.gov/xuqbh
Intermediary Relending Program	Provides 1 percent, low-interest loans to local lenders or “intermediaries” that re-lend to businesses to improve economic conditions and create jobs in rural communities	Government organizations, nonprofits, federally recognized Tribes, and cooperatives	Rural areas with populations of 50,000 or fewer	Program Type: Loan Terms and Conditions: Maximum loan to borrowers is \$400,000 Website: https://go.usa.gov/xzDXs
Meat and Poultry Processing Expansion Program	Expands meat and poultry processors capacity. Among other things, funds can be used to build or expand processing facilities, modernize equipment, meet safety requirements, ensure compliance with packaging requirements, offset costs associated with becoming an inspected facility, and for workforce recruitment, training, and retention.	Sole proprietor businesses or other entities that engage - or want to engage - in meat and poultry processing	N/A	Program Type: Grant Terms and Conditions: Maximum award is \$25 million – or 20 percent of total project costs – whichever is less Website: https://go.usa.gov/xzDXM
Meat and Poultry Intermediary Lending Program	Provides funding to intermediary lenders who finance – or plan to finance – the start-up, expansion, or operation of slaughter, or other processing of meat and poultry	Private, nonprofit corporations, public agencies, federally recognized Tribes, and cooperatives	N/A	Program Type: Grant Terms and Conditions: Maximum grant award is \$15 million. Minimum grant award is \$500,000 Website: https://go.usa.gov/xhY38

Rural Business-Cooperative Service (continued)

Program	Overview	Applicant	Population	Additional Information
Rural Business Development Grants	Supports small and emerging private businesses to start or expand. Funds can be used to purchase or develop land, buildings, and equipment; to cover costs for feasibility studies and business plans and provide other technical assistance; to improve rural transportation, establish revolving loan funds, and support rural distance learning programs that provide educational or job training	Towns, communities, state agencies, nonprofits, institutions of higher education, federally recognized Tribes and rural cooperatives	Rural areas outside of any city with a population of 50,000 or more	<p>Program Type: Grant</p> <p>Terms and Conditions: There is no maximum grant amount. Smaller requests are given higher priority, and there is no cost-sharing requirement.</p> <p>Website: https://go.usa.gov/xzDXt</p>
Rural Business Investment Program	Provides a Rural Business Investment Company (RBIC) license to newly formed developmental capital organizations to fill the need for business and development capital in rural areas. The program works with for-profit developmental capital funds	For-profit developmental capital organizations (or their subsidiaries) with experience in venture capital or community development financing	75 percent of funds must be used in rural areas with a population of 50,000 or fewer. Applicants can be located anywhere.	<p>Program Type: Other</p> <p>Terms and Conditions: Applicants must raise a minimum of \$10 million in private equity capital.</p> <p>Website: https://go.usa.gov/xzDXJ</p>
Rural Cooperative Development Grants	Helps establish and operate cooperative development centers. Cooperative development centers provide technical assistance, conduct feasibility studies, develop business plans, provide training, and facilitate strategic planning.	Nonprofits and institutions of higher education	Centers can be in any area, but must serve areas with populations of 50,000 or fewer.	<p>Program Type: Grant</p> <p>Terms and Conditions: Maximum grant is \$200,000 with a 25 percent matching requirement of total project costs.</p> <p>Website: https://tinyurl.com/383r77nt</p>
Rural Economic Development Loan and Grant Program	Supports economic development and job creation in rural areas by providing zero-interest loans to eligible local utilities. Funds are then used to establish revolving loan funds (RLFs) that make pass-through funding available to ultimate recipients that back projects to create or retain rural jobs.	Electric and telephone utilities	The utility company must service rural areas with populations of 50,000 or fewer.	<p>Program Type: Grant</p> <p>Terms and Conditions: Grant terms are 10 years and require a 20 percent match from the utility. The grant must be repaid when the RLF is expended or terminated.</p> <p>Website: https://go.usa.gov/xzD5r</p>

Rural Business-Cooperative Service (continued)

Program	Overview	Applicant	Population	Additional Information
Rural Innovation Stronger Economy (RISE) Grant Program	Helps create high-wage jobs and accelerate the formation of new businesses. It also supports industry clusters and maximizes the use of local assets in lower-income rural areas. Grants can be used to build or support a business incubator facility, provide trainings, and improve opportunities for workers to get high-wage jobs in new or existing local industries.	Government organizations, nonprofits, federally recognized Tribes, and institution of higher education	N/A	<p>Program Type: Grant</p> <p>Terms and Conditions: Grants range from \$500,000 - \$2 million with a four-year-term.</p> <p>Website: https://go.usa.gov/xzD5b</p>
Rural Micro-entrepreneur Assistance Program	Supports the startup and growth of small rural businesses. Loans can be used to establish revolving microloans for small, rural businesses, working capital, debt refinancing, equipment and supplies, and real estate improvements. Grants can be used to provide training and technical assistance to microloan borrowers and microentrepreneurs.	Nonprofits, federally recognized Tribes, and institutions of higher education (Borrowers must be businesses with 10 or less full-time employees.)	Rural areas with populations of 50,000 or fewer	<p>Program Type: Loan, grant</p> <p>Terms and Conditions: Loans: Loans range from \$50,000 to \$500,000. Maximum 20-year term with two year payment deferral.</p> <p>Grants: Maximum grant of \$205,000 annually</p> <p>Website: https://go.usa.gov/xzD5Z</p>
Socially Disadvantaged Groups Grants	Provides financial support to co-ops and their associations or development centers for technical assistance to small, socially disadvantaged groups. Funds can be used for feasibility studies, business plans, strategic planning, and leadership training.	Rural cooperatives and cooperative development centers	Rural areas with populations of 50,000 or fewer	<p>Program Type: Grant</p> <p>Terms and Conditions: Maximum grant amount is \$175,000</p> <p>Website: https://go.usa.gov/xzD58</p>
Strategic Economic and Community Development	Bolsters participating USDA Rural Development program funds by supporting projects that promote and implement strategic community investment plans. Funds can be used to help amplify a rural community's unique strengths, identify additional resources, convene partners, and leverage other federal, state, local, and private funding.	Applicant requirements vary depending on the RD program under which you are applying.	Population requirements vary depending on the RD program under which you are applying.	<p>The following RD programs participate in this program: Community Connect Grants; Community Facilities Direct Loans, Grants, and Loan Guarantees; Water and Waste Disposal Direct Loans, Grants, and Loan Guarantees; and Rural Business Development Grants</p> <p>Program Type: Grant, loan, or guarantee based on program is being used</p> <p>Website: https://go.usa.gov/xzD5n</p>

Rural Business-Cooperative Service (continued)

<p>Value-Added Producer Grants</p>		<p>Independent producers, farmer and rancher cooperatives, producer groups, and majority-controlled, producer-based business ventures</p>		<p>Program Type: Grant</p> <p>Terms and Conditions:</p> <p>Maximum planning grant is \$75,000; maximum working capital grant is \$250,000</p> <p>Website: https://go.usa.gov/xzD5E</p>

rd.usda.gov

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family or parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary. Those with disabilities who need alternative means of communication (for example, Braille, large print, audiotape, and American Sign Language, among others) can contact the responsible agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY), or contact USDA through the Federal Relay Service at (800) 877-8339. Program information also can be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, available at this link: <https://go.usa.gov/xzzfW>, and at any USDA office. Or, write a letter addressed to USDA and provide all of the information requested in the form. Call (866) 632-9992 to request a copy of the complaint form. Submit your completed form or letter to USDA by: (1) postal mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 (2) fax: (202) 690-7442, or (3) email: program.intake@usda.gov.

USDA is an equal opportunity provider, employer, and lender.

RD-19005A
Revised April 2023
