This action applies to the initiation of foreclosures and evictions and to the completion of foreclosures and evictions in process.

* Direct Loan Program:

- USDA has waived or relaxed certain parts of the application process for Single-Family Housing Direct Loans, including site assessments, and has extended the time period that certificates of eligibility are valid.
- A Direct Loan borrower who is experiencing a reduction of income can request a Payment Assistance package to see if he/she is eligible for payment assistance or for more assistance than currently received.
- Moratorium assistance for up to 180 days is available for Direct Loan borrowers experiencing financial hardship due, directly or indirectly, to the COVID-19 emergency. You can call us and verbally request a payment moratorium. Borrowers have the option to cancel the moratorium at any time or request the moratorium be extended up to an additional 180 days.
- Direct Loan questions should be directed to USDA's Customer Service Center at 800-414-1226. The Customer Service Center is experiencing high call volumes during this COVID-19 Crisis. The call center has expanded hours from 7 a.m. until 7 p.m. CT Mon - Fri; and 8 a.m. to 1 p.m. CT on Saturdays.

Guaranteed Loan Program:

- USDA is granting lenders temporary exceptions pertaining to appraisals, repair inspections and income verification for the Single-Family Housing Guaranteed Loan Program (SFHGLP) due to the COVID-19 pandemic. Effective immediately, the following exceptions to Agency guidance found at HB-1-3555 are in effect for a period of 60-days. In accordance to the CARES Act, this guidance remains unchanged and in effect.
 - Residential Appraisal Reports – Existing Dwelling: For purchase and non-streamlined refinance transactions, when an appraiser is unable to complete an interior inspection of an existing dwelling due to concerns associated with the COVID-19 pandemic, an “Exterior-Only Inspection Residential Appraisal Report”, (FHLMC 2055/FNMA 2055) will be accepted. In such cases, appraisers are not required to certify that the property meets HUD HB 4000.1 standards. The appraisal must be completed in accordance with the Uniform Standards of Professional Practice (USPAP) and the Uniform Appraisal Dataset (UAD). This exception is not applicable to new construction properties or construction-to-permanent loans. As a reminder, appraisals are not required for streamlined and streamlined-assist refinance transactions.
 - Repair Inspections – Existing Dwelling: For loans for which a completion certification is not available due to issues related to the COVID-19 pandemic, a letter signed by the borrower confirming that the work was completed is permitted. Lenders must also provide further evidence of completion, which may include photographs of the completed work, paid invoices indicating completion, occupancy permits or other substantially similar documentation. All

completion documentation must be retained in the loan file. This exception is not applicable to rehabilitation and repair loans noted in section 12.28 of HB-1-3555.

- **Verbal Verification of Employment:** Lenders must document and verify the borrower's annual and repayment income in accordance with Agency regulations. Lenders should use due diligence in obtaining the most recent income documentation to re-verify the borrower's repayment ability prior to closing. When the lender is unable to obtain a Verbal Verification of Employment (VVOE) within 10 business days of loan closing due to a temporary closure of the borrower's employment, alternatives should be explored. For example, email correspondence with the borrower's employer is an acceptable alternative to a VVOE. If the lender is unable to obtain a VVOE or acceptable alternative, the requirement will be waived when the borrower has a minimum of two months cash reserves. In the case of a reduction of income, the borrower's reduced income must be sufficient to support the new loan payment and other non-housing obligations. Borrowers with no income at the time of closing are not eligible for SFHGLP loans regardless of available cash reserves.
- **Expiration of Temporary Exceptions:** These temporary exceptions will expire 60 days from the date of this notice.
- To implement and align with the provisions of the CARES Act:
 - Effective immediately upon receiving a request for a forbearance from a borrower who attests to financial hardship directly or indirectly caused by COVID-19, lenders shall provide immediate forbearance of the borrower's guaranteed loan payment for a period of up to 180 days. In addition, the initial forbearance period may be extended up to an additional 180 days at the borrower's request.
 - During the forbearance options outlined above, no accrual of fees, penalties or interest may be charged to the borrower beyond the amounts calculated as if the borrower had made all contractual payments in a timely fashion.
 - Upon completion of the forbearance, the lender shall communicate with the borrower and determine if the borrower is able to resume making regular contractual payments. If so, the lender shall offer the borrower a written re-payment plan to resolve any amount due or at the borrower's request, extend the loan term for a period that is at least the length of the forbearance.
 - If the lender determines the borrower is financially unable to resume making contractual payments at the end of the forbearance, the borrower shall be evaluated for all available options presented in the Loss Mitigation Guide which is found at Attachment 18-A in [Chapter 18](#) of our 3555 Technical Handbook: <https://www.rd.usda.gov/sites/default/files/3555-1chapter18.pdf>
 - **Effective period:** Lenders may approve the initial 180-day COVID-19 Forbearance no later than October 30, 2020.

Sections 4023 and 4024 of the CARES Act apply to the Multifamily Direct and Guaranteed portfolios.

- The CARES Act allows Multifamily borrowers to request forbearance if they are experiencing financial hardship due to COVID-19. Multifamily Housing has existing authority in 7 CFR §3560.453 to take special servicing actions as part of a workout plan on Section 514 and 515 loans to prevent a default, and under that authority will approve a deferral of up to 3 monthly loan payments. For your convenience, attached is a sample streamlined workout agreement proposal that MFH considers to be in compliance with the requirements of 7 CFR §3560.453(c). Borrowers are welcome to use that sample or submit your requests orally or in another written format to your assigned Multifamily Servicing Official.
- Once this information is submitted to your assigned Multifamily Servicing Official, within five business days your request will be processed by the field office and sent to the National Finance, Accounting and Operations Center (NFAOC) in St. Louis to adjust your account. If your loan payment is normally offset against your Rental Assistance payment, you will receive your full RA payment without the mortgage payment deducted. If you normally send in a payment, you do not need to do anything further.
- If the initial forbearance period is for less than 90 days, borrowers can request an extension of up to 90 days total, but must request the extension at least 15 days prior to the expiration of the initial period. Forbearance can be ended at any time by contacting your assigned Multifamily Servicing Official. Payments will be deferred for up to 90 days without any additional interest or late fees. When the loan reaches maturity, any deferred payments will be added to the final payment.
- Guidance on forbearance requests for a Section 538 loans will be provided later this week.
- The CARES Act prohibits evictions due to non-payment of rent for the next 120 days and does not allow owners to charge late fees or otherwise penalize tenants who are unable to pay rent. This eviction prohibition became effective upon enactment of the CARES Act (March 27, 2020) and is effective for 120 days for Section 514, Section 515 and Section 538 loans, as well as Multifamily voucher holders. As stated in 7 CFR §3560.452(c)(8), failure to comply with this Federal law is considered a non-monetary default.

Multi-Family Housing is taking several other steps to help owners, management agents and tenants maintain quality housing during the COVID-19 outbreak. Specifically, three immediate steps are effective for Section 515 Multi-Family properties:

- Tenant certifications due March 31, April 30 and May 31 for Multi-Family properties have been extended to June 30 with no late fees or overage charges, as allowed in Multi-Family guidance (HB-3-3560, Chapter 4, Section 4.11). This extension will allow for additional time to complete needed certifications while avoiding face-to-face meetings as recommended by the Centers for Disease Control and Prevention (CDC).
- Late fees on Section 515 mortgages will be waived, subject to waiver authority in 7 CFR 3560.403 (c)(3).
- Section 515 Annual Financial Statements due March 31 will be extended 30 days, as per Multi-Family guidance (HB-2-3560 Chapter 4, Section 4.16-H). USDA is exploring whether a longer extension is appropriate and will provide further guidance.
- Current policy states that owners must process an interim recertification at the tenant's request if there is a change in income of \$50 or more per month. The owner should already have this policy in writing and apply it consistently. To the maximum extent possible, we encourage all owners to work with all tenants with impacted income to adjust rent payments.
- USDA encourages all owners to work with impacted residents and families to adjust rent payments, enter into forbearance agreements, and lessen the impact on affected residents. At this time, no additional subsidy funding has been made available. If borrowers are temporarily unable to make loan payments, the Agency may waive late fees and enter into an official workout plan.

Rural Utilities Service

- * USDA will use the \$100 million provided for the ReConnect Program in the CARES Act to invest in qualified 100 percent grant projects that did not receive funding in the program's first round of ReConnect Program investments. Round one applicants who did not receive funding because there was broadband access in the proposed service area may submit an application during the second round to receive this priority as long as their proposed service area meets the requirements of the ReConnect Round 2 Funding Opportunity Announcement.
- * Rural Development was provided an additional \$25 million in the [CARES Act](#) for the Distance Learning and Telemedicine grant program. USDA issued a stakeholder announcement on April 14 on the funding.
- On March 20, 2020, USDA extended for 60 days the deadline for Telecommunications and Electric Program borrowers and grantees to submit their annual CPA audit. In most cases, such audits are due to the agency by April 30, 2020.
- USDA is waiving borrower covenant requirements for loan agreement financial ratios for the period from Jan. 1, 2020, through Dec. 31, 2020. Additionally, USDA is waiving all financial reporting requirements associated with existing Rural Utilities Service (RUS) loan and grant covenants beginning Jan. 1, 2020 through June 30, 2020.
- The RUS Administrator has delegated authority to the RUS Telecommunications, Electric, and Water and Environmental Programs to consider requests to waive certain site inspection requirements during the current COVID-19 National Emergency.
- Applicants will be able to use alternative methods to notify the public, such as through videoconferences, teleconferences and public notices on websites and in local newspapers, as a substitute for the public meeting notification requirement for water and waste projects.
- On a case-by-case basis, USDA will help Electric Program borrowers gain access to obligated funds more quickly at current low interest rates by considering extensions of loan terms (within statutory limits); considering requests to move obligated funds between the Electric Program's six budget

purposes where the new purpose has cleared environmental review; and by considering Temporary Normal Inventory (TNI) requests.

 - Electric Program: Christopher McLean, Christopher.mclean@usda.gov, 202-407-2986
