

United States Senate

WASHINGTON, DC 20510-3203

May 13, 2024

The Honorable Brian Schatz
Chair
Subcommittee on Transportation, Housing
And Urban Development, and Related
Agencies
Senate Committee on Appropriations
Washington, D.C. 20510

The Honorable Cindy Hyde-Smith
Ranking Member
Subcommittee on Transportation, Housing
And Urban Development, and Related
Agencies
Senate Committee on Appropriations
Washington, D.C. 20510

Dear Chair Schatz and Ranking Member Hyde-Smith:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2025 Transportation, Housing and Urban Development, and Related Agencies Appropriations bill consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Thank you for your consideration of these important requests.

Sincerely,

Charles E. Schumer
United States Senator

**Schumer, Charles(D-NY) Transportation Housing and Urban Development
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Regional Food Bank of Northeastern New York	The Regional Food Bank will upgrade its Latham facilities to enhance its programs and workforce, which will strengthen the charitable food system and assist more New Yorkers experiencing hunger.	Albany NY	\$2,000
South End Children's Cafe, Inc.	The South End Children's Cafe will implement renovations at our new expanded program site, equipped with a commercial kitchen, gym, and a large community room, where we will serve hundreds of healthy meals every school night, and provide enrichment & activities for more children and youth.	Albany NY	\$592
City of Albany	This project will construct a new park entry, with space for gatherings, including a large pavilion for events, concerts, plays, with a new splash pad; and the existing tennis and basketball courts will be resurfaced and upgraded to accommodate the new, all-abilities accessible entry spaces.	Albany NY	\$3,000
Public Policy and Education Fund of New York	The Public Policy and Education Fund of New York will use funds to renovate their building and provide a healthy and safe environment for staff and community to gather in a space that is conducive to learning and pays attention to the physical, intellectual, emotional and spiritual needs of all.	Albany NY	\$501
City of Albany	The City of Albany requests an investment of \$3,000,000 in FY2025 CDS funding for the \$6.5M Phase 1 portion of the Lincoln Square Redevelopment Project consisting of demolishing three Albany Housing Authority vacant apartment towers. HUD authorized demolition; AHA successfully relocated residents.	Albany NY	\$3,000
Underground Railroad History Project of the Capital Region, Inc.	Capital construction of net-zero building in a redlined neighborhood that will be energy efficient, feature habitat protection, universal access, sustainable materials, equity, beauty, community connectivity, blight and food desert remediation, workforce development, and business stimulation.	Albany NY	\$4,199
New York State Department of Transportation	The Caneadea Historic Bridge Project Phase A will use Community Directed Spending to convert the Caneadea Historic Bridge into a pedestrian and bicycle path and to conduct design and other pre-construction work for the new replacement bridge for vehicular traffic.	Allegany NY	\$906
Fordham University	The renovation of 585 East Fordham Road, Bronx, NY, an uninhabitable building, into the Fordham Road Community Center, a fully-accessible hub which will be a dynamic space for community development, providing various social services, educational programs, and economic opportunities.	Bronx NY	\$4,000
Women in Need, Inc.	Win is respectfully requesting \$900,000 to fund the development of a playground to serve the hundreds of children currently living in our shelter at this site, as well as the thousands of children that will reside at the site- in what will become the nation's largest supportive housing complex.	Bronx NY	\$900
New York State Department of Transportation	The MNR W 225th St Reconstruction project will fully restore the one-way, single lane roadway leading out of the Riverdale Railroad Station in the Bronx.	Bronx NY	\$4,700

BronxWorks, Inc.	BronxWorks seeks a Congressionally Directed Spending (CDS) grant of \$2,403,160 to support kitchen, electrical infrastructure, bathroom, and classroom renovations of the Carolyn McLaughlin Community Center at 1130 Grand Concourse near Yankee Stadium in the Bronx County of New York City.	Bronx NY	\$2,404
Habitat for Humanity New York City and Westchester County	The requested funds will be used to develop a 66-unit affordable co-op on City owned land that was awarded to the development team through the Jerome-Anthony RFP.	Bronx NY	\$3,000
NYS Metropolitan Transportation Authority	The Middletown Road Station ADA Upgrade, located on the IRT Pelham line in the Bronx (6 train), will make the station ADA-accessible via the installation of elevators and other accessibility elements.	Bronx NY	\$5,000
Hometown Security Laboratories for Enhancements in Quality of Life and Community Stability, Inc.	This transit-oriented development will transform an historic rail station into a multipurpose cultural venue called Bronxlandia LLC, which will serve as the tenant and operating entity.	Bronx NY	\$4,800
Kingsbridge Heights Community Center	The Kingsbridge Heights Community Center Garden requires new drainage systems, extensive regrading, replacement of a broken stone staircase, new paving for walkways and other major repairs to the infrastructure and features.	Bronx NY	\$200
The HELP USA Fund, Inc.	This project will bring art therapists to 7 family homeless shelters serving women, other parents, and their minor children in New York City where onsite mental health services currently do not exist for a population with both trauma and critical barriers to accessing offsite services.	Bronx NY	\$454
Mott Haven - Port Morris Community Land Stewards	This redevelopment project for the Lincoln Recovery Center will serve as a dynamic community hub & catalyst for change with programming including non-profit social services, workforce development training, classrooms, offices, meeting spaces, a kitchen, performance/recording space, & art exhibits.	Bronx NY	\$50,000
Food Bank For New York City	Food Bank For New York City requests funding to support a renovation of its 90,000 square foot warehouse in Hunts Point, Bronx (the hub from which 80 million pounds of food is distributed across the five boroughs each year) to increase capacity to provide nutritious food to hungry New Yorkers.	Bronx NY	\$1,000
Bronx Community Health Network, Inc.	BCHN is a federally qualified health center (FQHC) and nonprofit community-based organization. We are applying for funding to purchase a multi-level, 11,000 sf property at 3763 White Plains Road in the Northeast Bronx that will house a state-of the art FQHC for 7,400 Bronx residents.	Bronx NY	\$4,800
The Bronx Community Foundation	The Bronx Community Foundation requests funding to support Phase 1 of the new Community Workforce Innovation & Development Center, which will advance innovation- and talent-focused education and community development, as well as propel job creation and inclusive economic growth for Bronx residents.	Bronx NY	\$4,000
NYS Metropolitan Transportation Authority	These upgrades would deploy tools to reduce the risk of cyber attack to Operational Technologies in the New York City Transit system, Metro-North Railroad, and Long Island Rail Road.	Bronx, Kings, New York, Queens, Richmond NY	\$1,000
ISSUE Project Room, Inc.	ISSUE Project Room respectfully requests funding to undertake necessary capital improvements—enhancing community accessibility, ADA compliance, and critical health and safety measures—to ensure the reopening of our historic Downtown Brooklyn theater.	Brooklyn, NYC NY	\$5,881

The Research Foundation for the State University of New York	The funding will be used for expansion of the Koffman Southern Tier Incubator to develop a shared-use equipment facility for SEDI-owned businesses to expand regional workforce capabilities.	Broome NY	\$3,505
Binghamton-Broome County YMCA	These funds would be used to support the capital construction and expansion of the Broome County YMCA's homeless housing program, which currently has 87 single room occupancy units, by another 55 units to address the homeless and emergency housing needs of the Broome County community.	Broome NY	\$1,000
New York State Department of Transportation	The requested funds will be utilized to construct a new 2500 Sq Ft vehicle wash facility in Vestal, aimed at preventing environmental damage to Choconut Creek by treating and recycling water contaminated with salt and paving materials from town maintenance activities.	Broome NY	\$3,368
Town of Vestal	The requested funds will be allocated towards the construction of two new youth girls' softball fields, restrooms, and concession stands, providing a safe, accessible, and inclusive environment for sport and community engagement.	Broome NY	\$3,000
County of Broome Government- Veterans Memorial Arena	The project will improve the arena's infrastructure and MEP systems essential to the long-term viability of the facility. Improvements include: Installation of a modern multisport hardwood court; installation of a modern fire alarm system; and replacement of multiple emergency exits and staircases.	Broome NY	\$1,250
City of Binghamton	The City of Binghamton is requesting federal funds to replace a 15-year-old Binghamton Fire Department (BFD) Tower Truck. The Tower Truck (Truck) of the BFD is the only truck with aerial capabilities and has been in service since 2008.	Broome NY	\$2,000
Center for Technology and Innovation, Inc.	Construct 30,000 sf space for TechWorks! Next Gen museum accessible by County busses for under-resourced teens, for SUNY-Broome and Binghamton University students, and for tourists, that will showcase regional watershed technologies as Artifacts in Action.	Broome NY	\$5,000
Broome County Department of Planning and Economic Development	The funds will be used to add creative placemaking amenities including an interactive public art feature, a pavilion/shade structure, and lighting enhancements to the Endicott iDistrict Art Park, supporting a much-needed community gathering space in downtown Endicott.	Broome NY	\$500
City of Binghamton	The City of Binghamton is putting forth a concerted effort City-wide to improve affordable housing options for low-to-moderate-income individuals that reside in the City. The City is seeking federal funds to support two affordable housing projects: 187 Clinton and Stadium Lofts.	Broome NY	\$5,000
New York State Department of Transportation	Funding to remake the City into an inclusive, sustainable and equitable place for opportunity. This 2.5 mile street and streetscape improvement project will positively transform safety, accessibility, sustainability, equity and quality of life.	Cattaraugus NY	\$3,360
St. Bonaventure University	St. Bonaventure University (SBU) seeks \$700,000 to purchase and install ten electrical vehicle (EV) chargers on its campus in the Town of Allegany, NY for public use.	Cattaraugus County NY	\$700
Cayuga County	Construction of a Fire Training Center that will provide critical training for volunteer and municipal fire department staff in Cayuga County.	Cayuga NY	\$1,500

New York State Department of Transportation	Funding will be used to rehabilitate 275 ft of the 40-year-old Lake Avenue Bridge that connects NYS Routes 38A and Route 38, providing economic connectivity between the City's disadvantaged neighborhoods and Auburn Enlarged City Schools.	Cayuga NY	\$2,500
Seymour Public Library District	This project will enable Seymour Library to enhance its provision of services, especially to low-and-moderate-income residents, through interior renovations and improvements to its historic building.	Cayuga NY	\$250
Town of Brutus	Construct a 5,000 sq ft Community Events Center with public restrooms, a meeting space in order to harness the traffic that is already flowing through the area via the Empire State Trail and Erie Canal Heritage Corridors, to help route tourism into the rural Towns of Brutus and Mentz.	Cayuga NY	\$1,500
