EVENT DETAILS

MEETING & FUNCTION SPACE

Our meeting and banquet rooms are assigned based on the number of guests expected to attend the event. Should there be a significant decrease in the number of anticipated guests, the Resort reserves the right to move the event to alternate space better suited for the size of the event. Outdoor function space is available. Due to extensive labor costs involved with outdoor functions, additional charges may apply. For all outdoor functions, an alternate indoor location is always reserved in case of inclement weather. In the event of a forecast for inclement weather, the Resort reserves the right to decide no fewer than three hours prior to the event whether or not to utilize the alternate space. All outdoor events must end by 10:00 PM.

WINE & BEVERAGE

For an added touch to your special event, we recommend considering wine service for evening events. We will be happy to assist you in selecting the perfect wine from our cellar. All beverage arrangements will be made through the catering office. It is the policy of the Resort that no liquor, wine, beer, or any other alcoholic beverages be brought in from any outside sources. For all events that require bars, a Bartender fee of \$50.00 per Bartender will apply. This fee will be waived if bar charges exceed \$400.00 per bar. Bartender fees are for three hours of service. For events longer than three hours, a charge of \$25.00 per Bartender per hour will apply for each hour beyond the third hour regardless of bar revenues. For events where bar charges are billed on a per-person basis, the Bartender fee is included in the package price.

FLOWERS, LINENS & PARTY DÉCOR

Should you require specialty colors or other decorating accessories, we would be more than happy to assist you in obtaining them. Flowers and other decorations can also be added to make your event a memorable affair. Our Catering and Convention Services team can assist you in making these arrangements as well. Please ask for a listing of our preferred party and décor vendors.

AUDIO VISUAL, SOUND & LIGHTING

Sound Productions is a locally owned audiovisual provider with decades of experience in the entertainment field. We pride ourselves on quality equipment, service and communication, which translates to a quality experience for every client, every time.

SERVICE CHARGES AND TAXES

A service charge of 20% (subject to change) and a tax of 6% will be applied to all food and beverage charges. 6% Tax will be applied to all meeting room rental charges.

GUARANTEES

A final Guarantee of the number of guests attending any function will be required prior to noon, five (5) business days before the date of your function. If a guarantee is not given, the estimated number given on the Banquet Event Order will be considered the guarantee number. The resort will charge for the guaranteed number, or the actual number served, whichever is greater.

WE LOOK FORWARD TO SERVING YOU & YOUR GUESTS AND MAKING YOUR EVENT ONE TO REMEMBER. PLEASE LET US KNOW IF THERE IS ANY WAY THAT WE CAN SERVE YOU BETTER.
