Title 5—DEPARTMENT OF ELEMENTARY AND SECONDARY EDUCATION Division 20—Division of Learning Services Chapter 100—Office of Quality Schools

ORDER OF RULEMAKING

By the authority vested in the State Board of Education (board) under section 161.092, RSMo 2016, and section 161.670, RSMo Supp. 2018, the board amends a rule as follows:

5 CSR 20-100.230 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on February 15, 2019 (44 MoReg 678-679). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The board received nine (9) comments on the proposed amendment.

COMMENT #1: David Veit, Chief Technology Officer; Steve Siegler, Deputy CIO for Operations; and Stephen Meyer, Acting CISO for State of Missouri – Office of Administration – Information Technology Division, suggests the following change for section: [(6)](4) [Multiple Providers] General Requirements. Replace the following: “and secure data standards by the Missouri Office of Administration’s Cyber Security Office” with “and agreeing to all mandatory contractual terms specified within the request for proposal, and agreeing to acceptable contractual terms for all negotiable contractual items within the request for proposal.”

RESPONSE AND EXPLANATION OF CHANGE: The Department of Elementary and Secondary Education (department) agrees with the substance of this comment and will amend section (4).

COMMENT #2: David Veit, Chief Technology Officer; Steve Siegler, Deputy CIO for Operations; and Stephen Meyer, Acting CISO for State of Missouri – Office of Administration – Information Technology Division, suggests deleting section (6) Learning Management System. All learning management systems must be deemed low-risk by the Missouri Office of Administration’s Cyber Security Office.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees with this comment and will remove section (6), renumbering the rest of the rule accordingly. Third-party security “rating” services provide a point in time evaluation which may or may not reflect

the ongoing security posture of the solution.

COMMENT #3: Dr. John Jungmann, Superintendent, Springfield Public Schools, suggests section (2) language return to the “best educational interest” and remove “based on academic prerequisites and each student’s age and academic readiness” from the rule.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees with this comment and will amend section (2).

COMMENT #4: Dr. John Jungmann, Superintendent, Springfield Public Schools, suggests section (4) to define “vendor” as a term reserved for non-district providers.

RESPONSE: No changes have been made to this rule as a result of this comment. Section 161.670.12, RSMo specifies that “No content provider shall be allowed that is unwilling to accept payments in the amount and manner as described under subdivision (3) of subsection (3) of this section ”

COMMENT #5: Zeke Rash, Director of State and Strategic Client Relations for Connections Academy, suggests the rule allow for full-time enrollment with the virtual providers and not be enrolled in the district.

RESPONSE: No changes have been made to this rule as a result of this comment. Section 161.670.2, RSMo states that students enrolled in the Missouri Course Access and Virtual School Program (MOCAP) shall be included in the student enrollment of the school district in which the student physically is enrolled. Section 161.670.3(2), RSMo states that local education agencies adopt an enrollment policy for MOCAP courses that is substantially similar to the typical process by which a district student would enroll in courses offered by the local education agency. Section 161.670.3(1)(b), RSMo states that a student must receive approval from the local education agency prior to enrolling.

COMMENT #6: Zeke Rash, Director of State and Strategic Client Relations for Connections Academy, suggests that full-time approved virtual school programs should be allowed to operate as independent local education agencies and enrollment should be open to all K-12 Missouri students.

RESPONSE: No changes have been made to this rule as a result of this comment. Missouri statute does not provide for virtual schools to act as local education agencies.

COMMENT #7: David D. Baker, Director with Missouri Assistive Technology (MO-AT), suggests that the rule clarify what responsibility MOCAP vendors have for implementing modifications/accommodations and stipulated in a student’s Individualized Education Program (IEP) or 504 Plan.

RESPONSE: No changes have been made to this rule as a result of this comment. Federal law requires the local education agency to implement modifications and accommodations as well as other requirements as written in an IEP and as required by the IDEA and sections 162.670 to 162.999, RSMo. In addition, vendors agree per the state MOCAP RFP to comply with all state and federal laws.

COMMENT #8: Steven Beldin, Director of Innovation and Learning, Missouri Council of Administrators of Special Education (MO-CASE), is concerned that removing all references to students with disabilities in the proposed amended regulation and providing no guidance at all on how to ensure compliance with IDEA/Section 504/ADA as applicable to MOCAP may impede access for students with disabilities, and leave districts vulnerable to complaints and litigation. Mr. Beldin advocates that the issues of who is legally obligated to provide accommodations and modifications and who is legally obligated to provide assistive technology need to be addressed in the amended regulation.

RESPONSE: No changes have been made to this rule as a result of this comment. Federal law requires the local education agency to

implement modifications and accommodations as well as other requirements as written in an IEP and as required by the IDEA and sections 162.670 to 162.999, RSMo. In addition, vendors agree per the state MOCAP RFP to comply with all state and federal laws.

COMMENT #9: The National Coalition of Public School Options, Missouri Chapter (PSO), Missouri Education Reform Council (MERC), and The Children's Education Alliance of Missouri (CEAM) submitted a new draft of the order of rulemaking as its comment.

RESPONSE: No changes have been made to this rule as a result of this comment as it exceeds the scope of the notice and comment process.

5 CSR 20-100.230 Virtual Instruction Program

(2) Access. School officials will advise students who are considering MOCAP courses about whether those courses are in the best educational interest of that child.

(4) General Requirements. If more than one (1) vendor is determined to be in compliance with the provisions of section 161.670, RSMo, the requirements of this rule, to meet qualifications of the MOCAP Qualified Vendor List, to be responsive to the request for proposal issued by the Department of Elementary and Secondary Education (department) by meeting the minimum standards for course alignment of Missouri State Learning Standards, web accessibility for students with disabilities, agreeing to all mandatory contractual terms specified within the request for proposal, agreeing to acceptable contractual terms for all negotiable contractual items within the request for proposal, and 162.1250, RSMo, the department shall ensure that multiple content providers are allowed.

(6) Transfer. When a student transfers to another local education agency, the MOCAP credit and enrollment(s) will also be transferred to the new local education agency without interruption. This transfer provision applies equally to any transfer, including those associated with treatment facilities.

(7) Reporting. The following are requirements for reporting MOCAP coursework.

(A) Local Education Agencies will report MOCAP courses using the appropriate delivery system codes specified by the department.

(B) Courseware providers will transmit reports to the department in a manner and format and on a timeline specified by the department.

(C) All courses offered by MOCAP must use course numbers established by the department.

Title 11—DEPARTMENT OF PUBLIC SAFETY Division 50—Missouri State Highway Patrol Chapter 3—Aids to Navigation and Regulatory Markers

ORDER OF RULEMAKING

By the authority vested in the superintendent of the Missouri State Highway Patrol under section 306.124, RSMo 2016, and section 306.125, RSMo Supp. 2018, the superintendent amends a rule as follows:

11 CSR 50-3.010 Aids to Navigation and Regulatory Markers is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on March 15, 2019 (44 MoReg 917-919). No changes have been made in the text of the proposed amendment, so it is not reprinted here. However, the name of the chapter has been changed. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Missouri State Highway Patrol's Water Patrol Division received one (1) staff comment and eleven (11) comments from the public on the proposed amendment for a total of twelve (12) comments. Comments 2 through 12 are primarily in regard to 11 CSR 50-3.010(3)(O).

COMMENT #1: The Patrol staff observed an error in the chapter title. The chapter title should not have changed. Chapter 3 should be titled "Aids to Navigation and Regulatory Markers." This would not require a change to the text of the rule.

RESPONSE AND EXPLANATION OF CHANGE: The Patrol staff recommends changing the Chapter 3 title as indicated.

COMMENT #2: Phil and Sue Finck are concerned about unsafe boat wakes in their cove at Lake of the Ozarks. They believe the new rule restricting vessels forty feet (40') or longer in designated coves would help, but they would rather see all boats thirty feet (30') or longer to be restricted to idle speed within their cove at Lake of the Ozarks.

RESPONSE: The current statute specifies vessels forty feet (40') or longer would be restricted by this rule. No changes have been made to the amendment as a result of this comment.

COMMENT #3: Dianne and Frank Lovan are concerned with the increase in boat traffic within their cove at Lake of the Ozarks. They feel the large boat wakes create unsafe conditions within their cove along with erosion. They want all boats thirty feet (30') or longer to be restricted to idle speed within their cove.

RESPONSE: The current statute specifies vessels forty feet (40') or longer would be restricted by this rule. No changes have been made to the amendment as a result of this comment.

COMMENT #4: David and Maureen Gray are concerned with shoreline erosion, dock damage, and generally unsafe conditions due to large boat wakes within their cove at Lake of the Ozarks. They are in favor of approving the rule proposal. They would prefer boats thirty feet (30') or longer be restricted to idle speed in coves, but are supportive of the new rule restricting vessels forty feet (40') or

longer for designated coves.

RESPONSE: The current statute specifies vessels forty feet (40') or longer would be restricted by this rule. No changes have been made to the amendment as a result of this comment.

COMMENT #5: Deborah Yantis is concerned with dangerous boat wakes damaging her dock and potentially endangering swimmers at their dock within her cove at Lake of the Ozarks. She wants all boats thirty feet (30') or longer to be restricted to idle speed within their cove.

RESPONSE: The current statute specifies vessels forty feet (40') or longer would be restricted by this amendment. No changes have been made to the amendment as a result of this comment.

COMMENT #6: Kathy Chalupka is appreciative of the proposed amendment to restrict vessels forty feet (40') or longer in designated coves and supports approval of the rule.

RESPONSE: No changes have been made to the amendment as a result of this comment.

COMMENT #7: Bill and Mickey Deuser would like all boats thirty feet (30') or longer to be restricted to idle speed within their cove at Lake of the Ozarks.

RESPONSE: The current statute specifies vessels forty feet (40') or longer would be restricted by this rule. No changes have been made to the amendment as a result of this comment.

COMMENT #8: Denise Sharisin is in favor of this rule due to the large wake issues within her cove at Lake of the Ozarks.

RESPONSE: No changes have been made to the amendment as a result of this comment.

COMMENT #9: Eric West is in favor of this rule. He would support stricter regulations in order to improve safety and protect private docks.

RESPONSE: No changes have been made to the amendment as a result of this comment.

COMMENT #10: Gregg and Jeanne Scott are in favor of the rule due to large waves in their cove at Lake of the Ozarks.

RESPONSE: No changes have been made to the amendment as a result of this comment.

COMMENT #11: Don Paule wants his cove to be no wake for cruisers. He did not specifically indicate whether he supports the proposed rule language.

RESPONSE: No changes have been made to the amendment as a result of this comment.

COMMENT #12: Gary Robinson wants a rule to be created to alleviate the large wake problem in his cove at Lake of the Ozarks. He did not specifically indicate whether he supports the proposed rule language.

RESPONSE: No changes have been made to the amendment as a result of this comment.

Division 2200—State Board of Nursing
Chapter 4—General Rules**

ORDER OF RULEMAKING

By the authority vested in the State Board of Nursing under section 335.036, RSMo Supp. 2018, the board amends a rule as follows:

20 CSR 2200-4.010 Fees is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on March 1, 2019 (44 MoReg 843-845). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The board received eighteen (18) comments on the proposed amendment.

COMMENT #1: Kimberly Shackelford, Director of Nursing Education at Three Rivers College in Poplar Bluff, Missouri commented that she supports the rule change as it will lower the cost of fees for their nursing program and help students financially to obtain their goal of becoming a nurse.

RESPONSE: The board appreciates the comment.

COMMENT #2: Rachel Wells, Administrative Director of Nursing with Cox Health commented that she supports and it may bring nurses to Missouri.

RESPONSE: The board appreciates the comment.

COMMENT #3: V. Parsell, Rolla Practical Nursing Program Director commented that she believes waiving the application fee is an excellent idea to help alleviate the financial stress students feel near the end of the year and thanked the board for consideration of easing the financial strain for students.

RESPONSE: The board appreciates the comment.

COMMENT #4: Teri A. Murray, Dean and Professor, Saint Louis University School of Nursing commented that this is wonderful news.

RESPONSE: The board appreciates the comment.

COMMENT #5: Larissa Brown, Practical Nursing Coordinator, Poplar Bluff Campus, Three Rivers College commented that she thinks this is a great idea.

RESPONSE: The board appreciates the comment.

COMMENT #6: Cindy Leveridge-Gregory, Administrative Assistant, Undergraduate Program, Graceland University, Independence, Missouri commented that she has been working for Graceland School of Nursing for the last 16 years. She is the Administrative Assistant who helps the Graceland BSN-RN nursing students right before graduation by conducting a session to ensure they correctly complete their initial RN licensure forms. Over the years, many of the students indicate they must wait until they have the money to pay the \$45.00 licensure fee before they can file their completed application forms. Eliminating the fee, could have a great effect on how license application forms are filed in the future and could create an increase in processing efficiencies due to students not having to wait for the money to pay the licensure fee when submitting their RN application forms. Registered Nurses make a good living and she thinks any loss in revenue to the state caused by eliminating the initial license fee, could be made up later by increasing a subsequent renewal fee, and explaining

it at such to the practicing Missouri RN population.

RESPONSE: The board appreciates the comment.

COMMENT #7: Amy Townsend, Chair of Undergraduate Nursing, Cox College commented that she supports this change. She knows that for many of their students, the fee is a very real hardship in their final semester of school. It is a wonderful thing that our board is so supportive of our students. She appreciates all the hard work of the board and professional staff.

RESPONSE: The board appreciates the comment.

COMMENT #8: Dr. Janice Williams, College of the Ozarks Program Director commented that she supports, and believes it will assist new graduates at the beginning of their career and thanked the board for forward thinking.

RESPONSE: The board appreciates the comment.

COMMENT #9: Susan Gale, Practical Nursing Coordinator, Moberly Area Community College, Mexico, MO commented that she thinks this is a great idea and fully supports it.

RESPONSE: The board appreciates the comment.

COMMENT #10: Katie Bozarth, Practical Nursing Coordinator, Franklin Technology Center, Joplin, MO commented that as a practical nursing coordinator, she is 100% in favor of eliminating the application fee for first-time applicants. Many of her students are non-traditional and they are working to pay for school to better themselves and their families. Upon graduation, they incur what may be a significant amount of expenses to them to become licensed. If this change will not significantly impact the Missouri Board of Nursing in a negative way then let's show this nation that nurses actually support their young and enact this change! The Missouri Board of Nursing could lead the way to impact the future of nursing in a positive light.

RESPONSE: The board appreciates the comment.

COMMENT #11: Julia A. Campbell, Nurse Educator, Lutheran School of Nursing, commented that this is a great support to our new nurses.

RESPONSE: The board appreciates the comment.

COMMENT #12: Karin K. Roberts, Professor, Research College of Nursing, Kansas City, Missouri commented that she is impressed that the state would consider this. Their students graduate with such debt, this little effort on the part of the Missouri Board of Nursing would be a huge benefit to new graduates; let Missouri be the first of many states to pass this type of legislation.

RESPONSE: The board appreciates the comment.

COMMENT #13: Korynn Skipper, Director of Practical Nursing Programs, North Central Missouri College, Trenton, Missouri thanked the board for the proposed amendment to eliminate the application fee for first-time nursing applicants.

RESPONSE: The board appreciates the comment.

COMMENT #14: Jamie Parks, Assistant Professor, Interim Simulation Center Manager, Kansas City, Missouri, wrote in support of the proposed legislation to waive the initial licensure fee for Missouri new graduate nurses. As a nursing educator, she can tell that many of their students struggle with financial hardship, as most have had to reduce their working hours while in a vigorous nursing program. Any reduction of cost would be appreciated at this point in their careers, and she agrees with the sentiments that this fee reduction could make Missouri nursing initially more attractive than nursing in another state, especially with two of our major metropolitan areas at state borders.

RESPONSE: The board appreciates the comment.

COMMENT #15: Pamela Gardner, Assistant Professor of Nursing, Saint Luke's College, Kansas City, Missouri supports the proposal to waive the registration fee for new graduates.

RESPONSE: The board appreciates the comment.

COMMENT #16: Andy Bayne, Assistant Professor, Saint Luke's College, Kansas City, Missouri supports the rule eliminating the RN and LPN application fee for those applying to take the exam for the first time.

RESPONSE: The board appreciates the comment.

COMMENT #17: Leesa McBroom, Chair, Department of Nursing, William Jewell College commented that this is a student-centered approach and much appreciated.

RESPONSE: The board appreciates the comment.

COMMENT #18: Corinne Fessenden, a Registered Nurse, commented that she is concerned the fee elimination could de-value the license and believe most new graduates have a job and could pay the fee.

RESPONSE: The board appreciates the comment. The proposal is to only waive the first-time examination application fee. Once licensed, a nurse will still be required to pay a renewal fee when the license is renewed every two-years. The board agrees that many graduates have jobs after graduation but many also have education debts. No changes have been made to the rule as a result of this comment.
