Dear Fellow Missourians,

It is a privilege to publish the *2022 General Assembly Roster*. In the following pages, you will find information about Missouri's elected officials, the roles they serve and their contact information.

In Missouri, the secretary of state serves as the chief elections officer who oversees the election process. I believe elections are a foundational part of our republic; for the people by the people. It is a privilege to live in the United States and to vote according to conscience – it is our right to have safe, secure elections with timely, accurate results. I believe my responsibility is to protect the integrity of Missouri's election process and ensure every legal vote counts.

As Missourians go to the polls, we elect those who will serve in our representative democracy. We trust these elected few to put aside partisanship politics and come to the table with ideas and insight that will best serve all of Missouri as they provide leadership, direction and results for a better tomorrow.

I encourage you to participate in your government. I hope this information is helpful as you contact your elected representatives and make your voice heard.

Sincerely,

A handwritten signature in cursive script that reads "John R. Ashcroft".

John R. Ashcroft  
Secretary of State
