

## **ORDINANCE No. 19-01**

The Board of Directors of the Tehama County Abandoned Vehicle Abatement Service Authority ordains as follows:

#### **SECTION 2. PURPOSE AND AUTHORITY.**

The purpose of this ordinance is to bring Tehama County Ordinance Code in accordance with California State Statutory Law. This ordinance is adopted pursuant to California Constitution Article 11, Section 7, Government Code Sections 25123, 25131, 36934, 36937, Vehicle Code Section 22710, and other applicable law

#### **SECTION 3. FINDINGS**

The Board of Directors of the Tehama County Abandoned Vehicle Abatement Service Authority makes the following findings in support of the immediate adoption and application of this ordinance:

## § 1.02 PUBLIC NUISANCE.

The accumulation and storage of abandoned, wrecked, dismantled or inoperative vehicles or parts thereof on private or public property is hereby found to create a condition tending to reduce the value of private property, to promote blight and deterioration, to invite plundering, to create fire hazards, to constitute an attractive nuisance creating a hazard to the health and safety of minors, to create a harborage for rodents and insects and to be injurious to the health, safety and general welfare. Therefore, the presence of an abandoned, wrecked, dismantled or inoperative vehicle or part thereof, on private or public property, except as expressly hereinafter permitted, is hereby declared to constitute a public nuisance which may be abated as such in accordance with the provisions of this Chapter.

### § 1.02.01 DUTY OF LANDOWNERS AND OCCUPANTS.

No person or entity shall cause, permit, maintain, conduct or otherwise suffer or allow a public nuisance as defined in this Chapter to exist within the jurisdiction of the Authority whether within the unincorporated limits of the County of Tehama or the city limits of any of the incorporated areas. It shall be the duty of every landowner, occupant, and person that controls any land or interest therein within the unincorporated area of the nuisance upon such land. Such duty of a landowner shall exist regardless of whether the landowner is in actual possession of his or her real property, and may include an obligation to take action to evict or otherwise remove an occupier who creates a public nuisance upon the landowner's property.

A vehicle cited for a seventy-two hour parking violation pursuant to Vehicle Code Section 22651, Subdivision (k), and a vehicle cited for expired registration longer than six months, pursuant to Vehicle Code Section 22651, Subdivision (o) constitute nuisances under the chapter, but are not subject to the noticing requirements herein, and shall be abated by the enforcing officer pursuant to the Vehicle Code.

#### § 1.04 CHAPTER TO BE NONEXCLUSIVE REGULATION.

It shall supplement and be in addition to the other regulatory codes, statutes and ordinances heretofore or hereafter enacted by the Authority, the state or any other legal entity or agency having jurisdiction.

#### § 1.05 ADMINISTRATION AND ENFORCEMENT OF CHAPTER.

Except as otherwise provided herein, the provisions of this Chapter shall be administered and enforced by the Tehama County Abandoned Vehicle Abatement Service Authority. In the enforcement of this Chapter, the abatement officer of the Authority and/or his or her deputies may enter upon private or public property to examine a vehicle or parts thereof or obtain information as to the identity of a vehicle and to remove or cause the removal of a vehicle or part thereof declared to be a nuisance pursuant to this Chapter.

#### § 1.07 NOTICE OF INTENTION TO ABATE.

Whenever the abatement officer determines that a nuisance as described in this chapter exists within the jurisdiction of the Authority, he or she is authorized to issue a ten-day notice of intention to abate and remove the vehicle or parts thereof as a public nuisance. The notice shall be in writing and shall:

- (A) Identify the recipients:

- (1) Identify the Landowner of the property upon which the nuisance exists, and identify the Occupant, if other than the Landowner and if known or reasonably identifiable;
  - (2) Identify the Vehicle owner of the subject vehicle, and/or parts thereof, unless the vehicle and/or parts thereof is in such a condition that identification numbers are not available to determine ownership;
- (B) Contain the address to which the request for a hearing be sent.
- (C) Describe the location of the property by its commonly used street address, giving the name or number of the street, road or highway and the number, if any, of the property or if no address is associated with the property the Assessor's Parcel Number may be used;
- (D) Contain a statement that an abandoned, wrecked, dismantled, or inoperative vehicle, and/or parts thereof, exists on the property and that it has been determined by the abatement officer to be a public nuisance as described in this Chapter;

- (F) Contain a statement that the Landowner, Occupant, and/or Vehicle owner must abate the nuisance within ten calendar days after the date that said notice was served;
- (G) Contain a statement that, unless the Landowner, Occupant, and/or Vehicle owner abates the nuisance, or shows good cause at a hearing, requested pursuant to subdivision (I) of this Section and Section 1.08, why these conditions should not be abated, the abatement officer shall abate the nuisance. It shall also state that the abatement costs, including administrative costs, maybe collected by the local taxing agency pursuant to Government Code Section 38773.5 or Section 25845 as applicable.
- (H) Contain a notice of the rights of the Landowner, Occupant, and/or the Vehicle owner to request a hearing before the Board of Directors of the Authority, or the Hearing Officer if the Authority has contracted with the Hearing Officer to adjudicate the hearings. The notice of rights shall include the address to which a request for a hearing should be sent.

#### § 1.07.01 SERVICE OF NOTICE OF INTENTION TO ABATE.

- (A) The notice shall be served in the following manner:
- (1) By certified mail, addressed to the:
    - (a) Landowner at the address shown on the last equalized assessment roll or as otherwise known to the abatement officer, and
    - (b) Vehicle owner at the address shown on the last registered and legal owners of record document unless the vehicle(s), and/or part(s) thereof, is in such condition that identification numbers are not available to determine ownership.
  - (2) By certified mail addressed to anyone known to the abatement officer to be in possession of the property at the street address of the property subject to the notice, if the property is capable of receiving mail. Service shall be deemed to have been completed upon the deposit of said notice, postage prepaid, in the United States mail; and

(3) By posting such notice conspicuously in front of the property subject to the notice, or if the property has no frontage, upon any street, highway, or road then upon the portion of the property nearest to a street, highway, or road, or most likely to give actual notice to the owner and any person known by the enforcing officer to be in possession of the property.

(B) Service shall be deemed to have been completed upon the deposit of said notice, postage prepaid, in the United States mail; and

#### § 1.08 REQUEST FOR PUBLIC HEARING.

A public hearing shall be held before the Board of Directors of the Authority, or the Hearing Officer if the Authority has contracted with the Hearing Officer to adjudicate the hearings, if requested by the Landowner, Occupant, and/or the Vehicle owner. The request shall only be valid if received by the Authority within nine days of the mailing of notice of intention to abate and remove the vehicle. If a request is not received within the period, the abatement officer may abate and remove the vehicle.

#### § 1.09 CONDUCT OF PUBLIC HEARINGS.

- (A) Upon receipt of a valid request pursuant to Section 1.08 the Authority shall within five business days after receipt of the request calendar a hearing no more than 30 days after the request and send a notice to the requestor of the hearing. Notice shall be served by certified mail, to the address of the Landowner, Occupant, or Vehicle owners requesting the hearing pursuant to 1.07.01 or at the address specified by the requestor at the time of the request. The notice shall specify the date, time, and location of this hearing, and shall state that the Landowner, Occupant, and/or Vehicle owner will be given an opportunity at the hearing to present and elicit testimony and other evidence regarding whether the conditions existing on the property constitute a nuisance under this chapter, or whether there is any other good cause why those conditions should not be abated. Service shall be deemed to have been completed upon the deposit of said notice, postage prepaid, in the United States mail. The Landowner, Occupant, and/or Vehicle owner may, in lieu of appearing at the hearing, submit a sworn statement to the clerk of the planning commission denying responsibility for the presence of the subject vehicle(s), and/or part(s) thereof, constituting a nuisance on the property.
- (B) Pursuant to Government Code Section 25845 or 38773.5, and 27721 when appropriate, all hearings under this article shall be held before Adjudicator. The Adjudicator shall hold a hearing to determine whether the conditions existing on the property subject to the notice constitute a nuisance under this Chapter, or whether there is any other good cause why those conditions should not be abated.
- (C) The Landowner, Occupant, and/or Vehicle owner shall be given an opportunity at the hearing to present and elicit testimony and other evidence regarding whether the conditions existing on the property constitute a nuisance under this Chapter, or whether there is any other good cause why those conditions should not be abated.
- (D) In the event that the Landowner, Occupant, and/or Vehicle owner does not appear and present evidence at the hearing, the hearing officer may base their decision solely upon the evidence submitted by the abatement officer. Failure of the Landowner, Occupant, and/or Vehicle owner to appear and present evidence at the hearing or submit a written presentation to the Adjudicator shall constitute a failure to exhaust administrative remedies.

- (E) Any hearing conducted pursuant to this Chapter need not be conducted according to technical rules relating to evidence, witnesses and hearsay. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs regardless of the existence of any common law or statutory rule which might make improper the admission of the evidence over objection in civil actions. The Adjudicator has discretion to exclude evidence if its probative value is substantially outweighed by the probability that its admission will necessitate undue consumption of time.
- (F) The Adjudicator may impose conditions and take other action as it deems appropriate under the circumstances to carry out the purpose of this article. The Adjudicator may delay the time for removal of the vehicle or part thereof if, in its opinion, the circumstances justify it. The Adjudicator may find that a vehicle or part thereof has been abandoned, wrecked, dismantled or is inoperative on private or public property and order the same removed from the property as a public nuisance and disposed of as hereinafter provided.
- (G) The Adjudicator may issue a written decision or may announce a decision. If the decision is not announced at the close of the hearing the Adjudicator shall announce that the decision shall either be in writing or shall provide the date, time, and place of the announcement of the decision. If the decision is announced, the decision is final on the date it is announced. If the Landowner, Occupant, and/or Vehicle owner makes a written presentation to the Adjudicator, but does not appear, he or she shall be notified in writing of the decision. If a written decision is to be issued, such decision shall be mailed by first class mail to, or personally served upon, the party requesting the hearing, any other parties upon whom the notice was served, and the abatement officer. The decision shall be final when signed by the Adjudicator and served as herein provided. Any decision requiring abatement and removal shall include a description of the vehicle or part thereof and the correct identification number and license number of the vehicle, if available at the site.
- (H) The costs of abatement and administrative costs for every abatement carried out under this section may be recovered in accordance with Sections 1.10 through 1.10.04.

#### § 1.10 LIABILITY FOR COSTS.

- (A) In any enforcement action brought pursuant to this Chapter, each person who causes, permits, suffers, or maintains the nuisance to exist shall be liable for all costs incurred, including, but not limited to, administrative costs, and any and all costs incurred to undertake, or to cause or compel any responsible party to undertake, any abatement action in compliance with the requirements of this chapter, whether those costs are incurred prior to, during, or following enactment of this Chapter.
- (B) If the costs of abatement, including costs of administration, are not charged against the Landowner and/or Occupant on which the vehicle(s) and/or part(s) thereof is(are) located, the presence of the vehicle(s) and/or part(s) thereof thereon shall constitute a prima facie presumption that the Vehicle owner(s), having failed to comply with the provisions of Vehicle Code Section 5900, is responsible for abandoning the vehicle(s) and/or part(s) thereof without the express or implied consent of the Landowner and/or Occupant and is thereby liable for the costs of abatement, including costs of administration, of the vehicle(s) and/or part(s) thereof under Vehicle Code Sections 22523 and 22524. Such costs may be collected by appropriate civil action in the name of the local agency having jurisdiction over taxation of the property on which the vehicle was found.

- (C) In any action by the abatement officer to abate a nuisance under this Chapter, the prevailing party shall be entitled to a recovery of the reasonable attorney's fees incurred. Recovery of attorneys' fees under this Subdivision shall be limited to those actions or proceedings in which the Authority elects, at the initiation of that action or proceeding, to seek recovery of its own attorney's fees. In no action, administrative proceeding, or special proceeding shall an award of attorneys' fees to a prevailing party exceed the amount of reasonable attorney's fees incurred by the Authority in the action or proceeding.

#### § 1.10.01 ACCOUNTING.

The abatement officer shall keep an account of the cost of every abatement carried out and shall render a report in writing, itemized by parcel, to the Adjudicator showing the cost of abatement and the administrative costs for each parcel.

#### § 1.10.02 NOTICE OF HEARING ON ACCOUNTING; WAIVER BY PAYMENT.

- (A) Upon receipt of the account of the abatement officer, the Adjudicator shall deposit a copy of the account pertaining to the cost of abating a nuisance upon the Landowner's property. Such notice shall be in writing and shall be served in the following manner:

(1) By mail, addressed to the:

- (a) Landowner at the address shown on the last equalized assessment roll or as otherwise known to the abatement officer.
- (b) Vehicle owner(s) at the address shown on the last registered and legal owners of record document unless the vehicle(s), and/or part(s) thereof, is in such condition that identification numbers are not available to determine ownership; and
- (c) Occupant at the address of the property where the vehicle and/or vehicle parts was located at the time of the abatement or if no address is available then by posting the notice in a conspicuous location on the property.

(B) Service shall be deemed to have been completed upon the deposit of said notice, postage prepaid, in the United States mail; and

(C) The notice shall inform the Landowner, Occupant, and/or Vehicle owner that, at a date and time not less than five business days after the date of mailing of the notice, the Adjudicator will meet to review the account and that the Landowner, Occupant, and/or Vehicle owner may appear at said time and be heard. The Landowner, Occupant, and/or Vehicle owner may waive the hearing on the accounting by paying the cost of abatement and the cost of administration to the abatement officer prior to the time set for the hearing by the Adjudicator. Unless otherwise expressly stated by the Landowner, Occupant, and/or Vehicle owner, payment of the cost of abatement and the cost of administration prior to said hearing shall be deemed a waiver of the right thereto and an admission that said accounting is accurate and reasonable.

#### § 1.10.03 HEARING ON ACCOUNTING.

(A) At the time fixed, the Adjudicator shall meet to review the report of the abatement officer. A Landowner, Occupant, and/or Vehicle owner may appear at said time and be heard on the questions whether the accounting, so far as it pertains to the cost of abating

a nuisance upon the land of the owner is accurate and the amounts reported reasonable. The cost of administration shall also be reviewed.

- (B) The report of the abatement officer shall be admitted into evidence. The Landowner, Occupant, and/or Vehicle owner shall bear the burden of proving that the accounting is not accurate and/or reasonable.
- (C) If it is determined at the hearing that the vehicle was placed on the land without the consent of the Landowner and that he or she has not subsequently acquiesced in its presence, the Adjudicator shall not assess costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise forward the collection of such costs to an agency.

#### § 1.10.04 ASSESSMENT OF COSTS OF REMOVAL.

If the administrative costs and the cost of removal which are charged against the owner of a parcel of land pursuant to § 1.10.01 through 1.10.03 are not paid within 30 days of the date of the order, or the final disposition of an appeal therefrom, the costs shall be assessed against the parcel of land by the local taxing agency pursuant to California Government Code Section 38773.5 or Section 25845 and shall be transmitted to the either the County Tax Collector or the respective City Tax Collector for collection. The assessment shall have the same priority as other taxes pursuant to Section 38773.5 or Section 25845.

#### § 1.11 REMOVAL OF VEHICLES.

- (A) If the Authority does not receive a valid request pursuant to Section 1.08, the abatement officer may enter upon the property and abate and remove the nuisance pursuant to Sections 1.05 and 1.06 if ten days has passed since the Notice of Intention to Abate has been served pursuant to Section 1.07.01.
- (B) If a hearing pursuant to Section 1.09 has been concluded and the abatement officer becomes aware that nuisance has not been abated within five calendar days of the announcement of the decision by or date of service of the decision of the Adjudicator under this 1.09 requiring such abatement, the abatement officer may enter upon the property and abate and remove the nuisance pursuant to Section 1.05 and 1.06. The abatement officer may also apply to a court of competent jurisdiction for a warrant authorizing entry upon the property for purposes of undertaking the work, if necessary. Nothing herein shall be construed to require that any private contract under this Chapter be awarded through competitive bidding procedures where such procedures are not required by the general laws of the State of California.
- (C) After a vehicle has been removed, it shall not thereafter be reconstructed or made operable, unless it is a vehicle which qualifies for either horseless carriage license plates or historical vehicle license plates, pursuant to the rules and regulations of the California Department of Motor Vehicles.

#### § 1.12 DEPARTMENT OF MOTOR VEHICLES TO BE NOTIFIED FOLLOWING REMOVAL.

Within five days after the date of removal of the vehicle or part thereof, notice shall be given to the Department of Motor Vehicles identifying the vehicle or part thereof removed. At the same time there shall be transmitted to the Department of Motor Vehicles any evidence of registration available, including registration certificates, certificates of title and license plates.

§ 1.13 NON-CONTESTED ABANDONED VEHICLE ABATEMENT; RELEASE AUTHORIZING REMOVAL.

- (A) As an alternative to the procedures set forth in Sections 1.07 through 1.10.04, a Landowner, Occupant, and/or Vehicle owner may request the abatement officer remove a vehicle, and/or parts thereof. Subject to and consistent with any rules and regulations of the Authority, the abatement officer, in his or her discretion, may limit the number of vehicles, and/or parts thereof, removed pursuant to this section. Notwithstanding the foregoing, the abatement officer has no duty to remove any vehicle and/or part thereof.
- (B) Except as provided in subdivision (C), the abatement officer may issue a notice of non-contested abandoned vehicle abatement containing the contents of the notice identified in Section 1.07, subdivisions (A) through and including (E), and served in the manner set forth in Section 1.07.01. Said notice shall further state that (i) the Landowner, or Occupant, and the Vehicle owner shall execute, and deliver to the abatement officer prior to removal, a signed right of entry, abatement, and indemnification agreement authorizing the removal of the vehicle and/or parts thereof, and (ii) the Landowner, Occupant, and/or Vehicle owner may at any time prior to the expiration of the ten day notice period, withdraw his or her consent to a non-contested abandoned vehicle abatement by making a written request to the Authority. Upon receipt of such written request, the abatement officer shall not be precluded from following the procedures set forth in Sections 1.07 through and including 1.10.04 to abate a public nuisance.
- (C) No notice served pursuant to this Section shall be required for the removal of any vehicle, and/or part thereof, when all of the following conditions are met:
- (1) A vehicle and/or part thereof is inoperable due to the absence of a motor, transmission, or wheels and is incapable of being towed; and
  - (2) Valued at less than \$200.00 by a person authorized to make an appraisal of value pursuant to Vehicle Code section 22855; and
  - (3) Determined, by the abatement officer, to be a public nuisance presenting an immediate threat to public health or safety; and
  - (4) The abatement officer has received a right of entry, abatement, and indemnification agreement authorizing the removal of the vehicle and/or parts thereof and waiving all further interest in the vehicle and/or parts thereof, and signed by the Landowner, or Occupant, and Vehicle owner; and
  - (5) The vehicle and/or parts thereof are located on a parcel that is zoned for agricultural use or that is not improved with a residential structure containing one or more dwelling units.

§ 1.14 NO DUTY TO ENFORCE.

Nothing in this chapter shall be construed as imposing on the abatement officer or the Authority any duty to issue any notice hereunder, nor to abate any nuisance, nor to take any other action with regard to any nuisance, and neither the abatement officer nor the Authority shall be held liable for failure to issue any notice hereunder, nor for failure to abate any nuisance, nor for failure to take any other action with regard to any nuisance.

§ 1.15 SEVERABILITY.

If any section, subsection, sentence, clause, portion, or phrase of this chapter is for any reason held illegal, invalid, or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions hereof. The board hereby declares that it would have passed this chapter and each section, subsection, sentence, clause, portion, or phrase hereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared illegal, invalid or unconstitutional.

**SECTION 4. SEVERABILITY**

If any provision, clause, sentence or paragraph of this ordinance or the application thereof to any person or circumstances shall be held invalid, such invalidity shall not affect the other provisions of this ordinance which can be given effect without the invalid provision or application, and to this end, the provisions of this ordinance are hereby declared to be severable.

**SECTION 5. CONFLICTING LAWS**

For the term of this ordinance, as set forth in Section 6 below, the provisions of this ordinance shall govern. To the extent that there is any conflict between the provisions of this ordinance and the provisions of any other code, ordinance, resolution or policy, all such conflicting provisions shall be suspended.

**SECTION 6. EFFECTIVE DATE AND TERM**

This ordinance shall be effective 30 days after its passage. The Clerk of the Board shall cause this ordinance to be published within 15 days of its passage.
