

UC Worldcue® Program

Getting Started with Worldcue® Mobile

The UC Worldcue® program was developed exclusively through our partnership with Crisis24, Integrated Risk Management experts, and provides you access to the benefits of the Worldcue Mobile® app

- Alert notifications of threats in your vicinity and worldwide
- Threat intelligence on locations globally
- 24/7 Hotline to reach Chubb-AXA Global Travel Assistance at the touch of a button

Login Instructions

To begin, download the Worldcue® Mobile App from either the Google Play Store or the App Store depending on your device.

1. Once you register your UC travel by booking through the ConnexUC travel portal or in UC Away, you will receive a Welcome email from Crisis24.
2. Open the Welcome email and select [Activate Your Account](#). Selecting this link will take you to a page that will allow you to create your password.
3. Open the app, select [Sign In](#), and enter your newly created credentials.
4. For the full experience enable Notifications and Location Services and set your preferences. You are now ready to go.
