## EXPLANATORY NOTE

1. This *Index to Proceedings* of the 20th session of the Trusteeship Council is intended to offer a bibliographical guide to the discussion and documentation of the meetings. Being a sessional index it does not include *ad hoc* committees meeting between sessions. The index consists of the following parts:

### *Part A. Introduction*

This part includes lists of meetings, giving, in tabular form, meeting numbers and dates of meetings.

### *Part B. Agenda*

The items on the agenda are listed in part B, with references to the relevant subject headings used in part C.

### *Part C. Subject index*

The subjects dealt with during the session are arranged alphabetically in the section where will be found, under appropriate subject headings, references to the documentation, discussions, and disposition of each item. The agenda item number is indicated in parentheses following the subject heading.

### *Part D. Index to speeches*

Speeches by representatives are listed in part D. The remarks of the President of the Council and of chairmen of committees are normally not indexed. However, the speeches of chairmen or rapporteurs of committees are indexed when they present or explain the reports of their committees to the Council. The index is arranged in alphabetical order by country or organization, subdivided by subject discussed, with the indication of the meeting at which the speech was made.

### *Part E. Numerical list of documents*

This is a list of the documents included in this index, arranged by document symbols.

### *2. Official Records*

All the summary and verbatim records of plenary and committee meetings of the Trusteeship Council appear first in mimeographed form. Summary or verbatim records of plenary meetings are later printed as separate fascicles in the *Official Records* of the session, whereas summary records of committee meetings remain in mimeographed form. Of the other documents, some appear initially as printed supplements to the *Official Records*—a fact always indicated in this index—but all the rest are first issued in mimeographed form. Most of them are subsequently printed in the annexes to the *Official Records*, where they are grouped into fascicles according to agenda item numbers. The resolutions adopted by the Council, which have first been issued in mimeographed form, have been collected in the printed *Supplement No. 1* to the *Official Records* of this session. Since their republication in the *Official Records*, the provisional documents described above are no longer available in their mimeographed form.

The printed material concerning a specific item on the agenda of the 20th session of the Trusteeship Council may easily be obtained after consulting this index and requesting:
