Explanatory Note

SCOPE

1. This *Index*, prepared by the Index Section of the Dag Hammarskjöld Library, United Nations, New York, is intended to offer a bibliographical guide to the proceedings and documentation of the 35th regular session of the Trusteeship Council as well as of its committees or *ad hoc* committees which met during the session.

ARRANGEMENT

2. The *Index* consists of the following parts:

(a) Introduction, including list of the Officers and check lists of meetings of the Trusteeship Council and its committees;

(b) Agenda, with reference to the relevant subject headings used in Part (c);

(c) Subject index. Subjects are arranged alphabetically, with reference to the documentation, discussion, and disposition of each item. Agenda item numbers are indicated in parentheses following the subject headings. Names of delegations are noted in parentheses following the meeting number whenever statements are made on a subject not scheduled as an agenda item or on a subject referred to in the general debate in plenary meetings;

(d) Index to speeches. Speeches and statements by representatives are listed in alphabetical order by country or organization, subdivided by subject discussed and by name of speaker, with an indication of the meeting at which the speech was made. Addresses of Heads of State are listed under the name of the country they represent, followed by their title and name. The remarks of the President of the Trusteeship Council and of chairmen of committees are normally not indexed. The speeches of chairmen and rapporteurs of committees are included, however, when they presented or explained the reports of their committees to the Council. Statements and speeches made by private individuals representing an organization to which a hearing was granted are listed under the name of the organization. Statements made by officers of the United Nations Secretariat are listed under the name of the Office or Department they represented;

(e) Numerical list of documents, arranged by document symbols. This list also contains information as to the republication of mimeographed documents in the printed fascicles of Annexes to the Official Records.

AVAILABILITY OF DOCUMENTS

3. All summary and verbatim records of plenary and committee meetings of the Trusteeship Council appear first in provisional mimeographed form. They may be identified by their symbol, which consists of the series symbol (*e.g.*, T/-) as indicated in the introduction (*see* Check list of meetings), followed by SR or PV and an ordinal number corresponding to that of the meeting (*e.g.*, T/SR.1325). Summary records of meetings are later printed as separate fascicles in the *Official Records*; verbatim records of meetings are issued only in mimeographed form.

Of the other documents, a few appear only as printed *Supplements* to the *Official Records* (a fact always noted in this index), but the rest are first issued in mimeographed form. Most of them are subsequently printed in the *Annexes* to the *Official Records*, where they are grouped into fascicles according to agenda item numbers. The resolutions adopted by the Trusteeship Council, first issued in mimeographed form, are collected in printed *Supplement No.1* to the *Official Records* of the session. After their republication in the *Official Records*, the provisional mimeographed documents are no longer available.

4. Printed documentation of this session of the Trusteeship Council may be obtained, or purchased from authorized sales agents, by requesting:

Trusteeship Council, Official Records, 35th session:

Meeting ... (specify plenary or committee meeting number) for summary records fascicles.

Supplement No. ... (specify supplement number) for documents initially issued in this form.
