INTRODUCTION

The Trusteeship Council is assigned under the United Nations Charter to supervise the administration of Trust Territories which are placed under the International Trusteeship System. The Council meets annually and holds special sessions when required.

The Index to Proceedings of the Trusteeship Council is a guide to the documentation and proceedings of the Trusteeship Council. This issue covers the fifteenth special session and the fiftieth regular session, both of which were held in 1983. The Index is prepared by the Dag Hammarskjöld Library as one of the products of the United Nations Bibliographic Information System (UNBIS).

ARRANGEMENT OF THE INDEX

The Index is divided into two sections, one for each session of the Council which met during the year. These sections are further subdivided as follows:

Sessional Information provides a list of both members and officers, rules of procedure, resolutions and decisions and a checklist of meetings for each session.

Agenda lists matters considered by and brought before the Council together with the agenda item headings under which these items are listed in the Subject Index.

Subject Index provides topical access to Trusteeship Council documentation. It contains an alphabetical list of agenda subjects and a list of documents considered under each item, meetings at which the items were considered and the action taken by the Trusteeship Council.

Index to Speeches provides access to speeches that were made before the Trusteeship Council. The index is subdivided into three sections: speeches by corporate names/countries, speaker and subject.

Numerical List of Documents lists documents arranged by symbol. It also contains information regarding the republication of mimeographed documents in printed Official Records.

DOCUMENTATION OF THE TRUSTEESHIP COUNCIL

Meeting records of the Council are issued only as verbatim records in provisional form with corrigenda provided as appropriate to cover substantive corrections submitted by delegations. They may be identified by their symbol (T/PV.-), followed by an ordinal number corresponding to that of the meeting (e.g., T/PV.1542). A Checklist of Meetings is included in the Sessional Information section for each session.

Other documents may later be printed as Annexes in the Sessional Fascicle to the Official Records. Resolutions and decisions adopted by the Trusteeship Council at the 15th special session and the 50th session are collected in printed Supplement No. 1 to the Official Records of the session.

HOW TO OBTAIN DOCUMENTS
