INTRODUCTION

The Trusteeship Council is assigned under the Charter of the United Nations to supervise the administration of Trust Territories which are placed under the International Trusteeship System. The Council meets annually and holds special sessions when required.

The *Index to Proceedings of the Trusteeship Council* is a guide to the documentation and proceedings of the Trusteeship Council. This issue covers the fifty-eighth regular session as well as the twenty-first special session.

The twenty-first special session of the Trusteeship Council was held at the request of the United States, in order to consider the dispatch of a visiting mission to observe the current conditions in Palau, Trust Territory of the Pacific Islands.

The Index is prepared by the Dag Hammarskjöld Library as one of the products of the United Nations Bibliographic Information System (UNBIS).
