## INTRODUCTION

The Trusteeship Council is assigned under the Charter of the United Nations to supervise the administration of Trust Territories which are placed under the International Trusteeship System. Up to the sixty-first session, the Council met annually and held special sessions as required. In 1994, following the termination of the Trusteeship Agreement for the last Trust Territory on the Council's agenda, the Council decided to amend its rules of procedure to remove the obligation to hold regular meetings. Accordingly, in the future, meetings will be held only when necessary.

The *Index to Proceedings of the Trusteeship Council* is a guide to the documentation and proceedings of the Trusteeship Council. This issue covers the sixty-first regular session.

The *Index* is prepared by the Dag Hammarskjöld Library, Department of Public Information, as one of the products of the United Nations Bibliographic Information System (UNBIS).

### ARRANGEMENT OF THE INDEX

The *Index* to each session is arranged as follows:

*Sessional information*, listing officers and providing information on the rules of procedure and on the republication of the resolutions and decisions;

*Check-list of meetings*, listing the meetings for the session and the dates they were held;

*Agenda*, listing items considered by and brought before the Council together with the subject headings under which these items are listed in the subject index;

*Subject index*, providing topical access to Trusteeship Council documentation arranged alphabetically by agenda subjects and listing documents submitted under each agenda item, meetings at which the items were considered and the action taken on each item;

*Index to speeches*, providing access to speeches that were made before the Trusteeship Council. The index is subdivided into three sections: corporate names/countries, speakers and subjects;

*List of documents*, listing documents issued in connection with the session and providing information on the republication of masthead documents in printed *Official Records*.

### DOCUMENTATION OF THE TRUSTEESHIP COUNCIL

Meeting records of the Council are issued as verbatim records in provisional form only with corrigenda provided as appropriate to cover substantive corrections submitted by delegations.
