After a successful graduation, candidates are referred to as USDF L Graduates. L Graduates are NOT licensed dressage judges. Therefore, they may not advertise themselves as L judges.

The USDF L Education Program offers a comprehensive curriculum created to teach participants and auditors how to evaluate dressage performance at Training through Second Level. It is not just for those who want to become licensed dressage judges. The program's intent is to give competitors, trainers, and instructors a broader insight into the evaluative techniques of judging dressage, qualify individuals to officiate at schooling shows, serve as continuing education for licensed judges, and to serve as a prerequisite for entering into the USEF/ USDF 'r' Licensed Dressage Judge Training program.
