### Important Card Safety Tips

- Keep your Personal Identification Number (PIN) a secret. Choose a number that is not easily guessed. Never write it down anywhere, or give it to anyone. We will never call or text you asking for the PIN.
- Have your Card out and ready to use as you approach the ATM. If you observe suspicious persons or circumstances, it may be safer to go to an alternate ATM location.
- If the ATM ever appears to have been damaged or tampered with, do not insert your Card.
