PERMITS AND INSPECTIONS

FLOODPLAIN PERMIT APPLICATION GUIDANCE

Application Method: The attached form may be used to apply for a County Floodplain Permit by mailing the application form, fee, drawing, and any other required information to the Permitting Office.

Application Fee: \$35.00 (Make check payable to: Washington County Treasurer). A separate \$150.00 fee may be assessed for technical review of projects requiring engineering analysis (hydrology & hydraulics) at the discretion of the Division of Engineering.

Drawings: All permit applications must have a standard scale drawing which shows:

- Dimensions of site;
- Size and location of existing and proposed structures or alterations;
- Setbacks;
- Elevation contours in mean sea level (NGVD);
- Delineation of the 100-year flood elevation and boundary; and
- Proposed elevation of the lowest floor and method of elevation, if applicable.

A County-approved Site Plan or Grading Plan may be submitted in lieu of the separate drawing described above.

Maryland Department of the Environment Permits: In addition to the County Floodplain Permit, an approval from the Maryland Department of Environment, Water Resources Administration may be required. Visit the MDE website at www.mde.state.md.us/programs/WetlandsandWaterways/ or call (410) 537-3768 for more information. *A Washington County Floodplain Permit will not be issued until authorization is received from MDE for those projects requiring a Non-Tidal Wetland and Waterway Permit.*

Additional Provisions: Additional provisions may apply. All work shall be done in accordance with the latest adopted edition of the Washington County Floodplain Management Ordinance.

Inspection: All work shall be subject to inspection by the Washington County Division of Permits and Inspections.

For Assistance with this application please call Washington County Permits and Inspections at (240) 313-2460.
