- Total includes all pre-packaged^d agency copies. Additional may be requested, as needed.
- Applicant to submit number of copies, pre-packaged^d, for the Planner and any reviewers/agencies that issued comments requiring revision and/or those affected by the revision.
- If SSWP is submitted with SGP, the seven SGP plan drawings should address both plan requirements. If the SSWP is stand-alone, four plan copies are required.
- Pre-packaged copies are to include all required agency forms, reports, redlines, etc, rubber banded or clipped on top of the plan copies required by that agency. Consultant transmittals are encouraged but not required, so long as it is identifiable to which agency each package is intended.
