## SOCIAL MEDIA - NO TICKET PHOTOS

Please do not post pictures of your ticket offer or tickets on any social media channel or website. The details may be used to defraud third parties into buying them.

## ARRIVAL

Please help our staff at the gates by having your bag ready to be searched. There may be a short wait while we assist your arrival; we appreciate your patience and cooperation while we complete our security checks.

The safety of our guests is of paramount importance. There will be some security measures that are visible - such as our team of friendly search dogs - while others are much more discreet. However, everyone has a role to play in the safe delivery of The Championships.

Help us protect you by reporting anything that doesn't feel right to a member of Security or one of our Guest Services team. We will always act on your concerns.

## WHAT TO BRING

Pack everything you need in one bag per person measuring no larger than 40cm x 30cm x 30cm. Please familiarise yourself with the list of items that are not allowed inside the Grounds **here**.

Please check the items you're bringing into the Grounds, as anything discovered after entry will be confiscated permanently.

Please visit **wimbledon.com** for our full Conditions of Entry.

## ACCESSIBILITY

We endeavour to provide a high standard of accessible services and facilities for guests with disabilities, and are constantly working to improve their Championships experience. The Accessibility page on our **website** provides an overview of all the services and facilities we have available. We have designated areas to leave your mobility scooter or wheelchair. See the **map** for locations. Please note that neither the AELTC nor St John Ambulance provide wheelchairs for visitors.

# WALKING TO THE CHAMPIONSHIPS

# AT THE CHAMPIONSHIPS

## NEW FOR 2024

Each year we strive to improve the experience on offer at The Championships for all our guests. There are several changes in place around the Grounds this year. These include:

### On Court

Reflecting the continued growth of wheelchair tennis and its increasing popularity at Wimbledon, the Ladies' and Gentlemen's Wheelchair singles and doubles draws will be doubled this year. The singles competitions will increase from an 8 to 16 player draw, and the doubles competitions will increase from 4 to 8 teams. The increase in draw size means the Wheelchair Tennis competition will begin one day earlier, on Tuesday 9 July.

### Off Court

We have added a Queue Welcome and Queue Village as additional areas for guests to enjoy on their Queue journey and have moved our Ticket Resale to a new location – further south towards the Media Pavilion, but still on the iconic Hill Lawn.

Our flagship Wimbledon Shop, located at the south-west corner of No.1 Court, has been fully refurbished and will open its doors for the first time at The Championships 2024. The new store will showcase the Wimbledon Collection in its entirety. With a wide variety of clothing across both performance and lifestyle, the range is suitable for both the court and the Clubhouse. The No.1 Court will also house our fine bone china and kitchen textile ranges, drinkware, souvenir and gifting items, rackets, bags, publications and much more.

For the first time, guests will also have the opportunity to order personalised towels and baseball caps from our Personalisation Zone. Our Customer Service team will guide guests through the ordering process with

personalised items then dispatched for delivery direct to the home. The No.1 Court Shop and other major stores will be open during The Championships from 10am - 10pm.

### Environmental Sustainability

We remain firmly committed to achieving our 2030 Environment Positive goal and have introduced initiatives this year to enhance our guest experience.

Throughout the Grounds, all our food menus will highlight the lower CO2 dishes available, indicating those with emissions below 290g per kilogram. Dishes are rated on an A to E scale, with A indicating very low. A QR code provides a link to more detail for guests seeking further information.

We want to make it easier for our guests to make informed choices when they visit Wimbledon, as well as giving us the opportunity to track and ultimately reduce emissions associated with the food we prepare and serve.

Alongside evian, our Official Water Partner for the last 15 years, we are continuing our sustainability work by expanding the successful pilot of evian natural mineral water refills on court. This solution hydrated players and encouraged refillable behaviour at The Championships in 2023. For 2024, we will expand our pilot programme to include offering guests the ability to purchase and enjoy chilled evian natural mineral water refills at The Championships.

For more information, please visit [wimbledon.com/sustainability](https://wimbledon.com/sustainability).

## ENVIRONMENT POSITIVE EVERY DAY: LET'S MAKE A DIFFERENCE TOGETHER

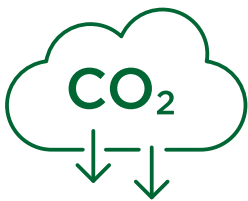

At Wimbledon, we have a responsibility to protect and preserve the environment we all depend on. It's important to us and we know it matters to you too.

### What is the AELTC doing?

Environment Positive is our sustainability aim and a mindset we want to adopt, so that over time all actions we take are guided with **Environment Positive in mind**.

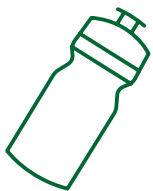

### What does 'Environment Positive Every Day' mean for me and what can I do?

We would like you to join us in taking Environment Positive actions when you come to Wimbledon so that together, we add to a growing community of Environment Positive champions.

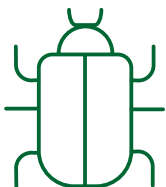

#### Cut Your Carbon

- Be an active traveller and leave your car at home, use public transport, walk or cycle to the Grounds.
- Look out for the 'low CO2' icon and scan the QR code on menus to find information about the carbon weightings of the food we serve so that you can enjoy lower carbon food.

#### Reuse & Avoid Waste

- Refill your water bottle at a refill point around the Grounds.
- Return your reusable drinks cup to any of the points around the Grounds so it can be used again and again.
- Recycle empty plastic containers, bottles, card, cans and glass in the facilities provided.

#### Celebrate & Enjoy Nature

- Capture and share photos of biodiversity in action around the Grounds.
- The Queue takes you past our 'bug hotel'. Find out how to **create your own at home**.

Tell us about your Environment Positive actions using the hashtag  
**#GreenAtWimbledon**

Be an Environment Positive champion!

## THE WIMBLEDON FOUNDATION

The Wimbledon Foundation is the charity of the All England Club and The Championships and its mission is to champion opportunity for all.

The Foundation donates more than £4 million a year towards local, national and international charities in line with its four goals: strengthening the local community, promoting healthy and active lives, inspiring the next generation and responding in times of need.

This year, the Foundation is celebrating its 10th anniversary. Over the last decade, £20 million has been expended on charitable activities, with 40% of this invested locally in Merton and Wandsworth.

By scanning your ticket as you leave the Grounds to be resold at Ticket Resale, purchasing a used Championships ball, or by depositing your reusable cup in one of the charity collection points, you are supporting the Foundation to make a positive difference to people's lives.

The activities of the Wimbledon Foundation are in addition to the large majority of the financial surplus from The Championships being passed to the LTA for the development of tennis at all levels in Britain.

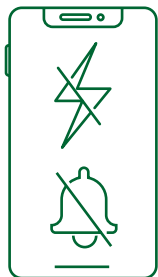

For more information, visit [wimbledon.com](http://wimbledon.com).
