

First author and manuscript title:

Remember to upload a completed Author Checklist with each submission to EID.

### Authorship and Acknowledgments—EID follows ICMJE policies and recommendations

Acknowledge that all authors meet the 4 [ICMJE criteria for authorship](#). Contributors who met fewer than all 4 criteria are named in the acknowledgements *if they meet the ICMJE criteria for nonauthor contributors*.

Provided [Open Researcher and Contributor ID \(ORCID\)](#) identifiers for the first and corresponding authors.

Obtained written permission from all persons listed as authors and from all persons listed in the acknowledgments.

Confirm corresponding author is primary contact for reviewing the edited manuscript and galley proofs, and full contact information (mailing address, email address, phone number) is stated in the manuscript.

Provided a two-sentence biography for the first author, or for both authors if there are only two, in the manuscript text.

### Agreements, Approvals, Disclosures, Permissions, and Other Requirements as Applicable

Agree and acknowledge that if this manuscript is accepted and published in *Emerging Infectious Diseases*, it will, upon publication, be in the public domain and can be used freely without liability for copyright infringement.

Confirm this manuscript (or one with substantially similar content written) has not been published previously.

Clearly disclosed any use of a chatbot or artificial intelligence tool for any portion of your work, including full technical specifications for the chatbot/AI (name, version, model, source) and method of application (query structure, syntax).

Acknowledge if this article was published on a preprint archive and if so, provide the URL here (otherwise leave blank and do not check the box):

Agree to update the archived preprint with your article's Digital Object Identifier (DOI), a link to the version of the article published in EID, and a complete citation upon publication in EID.

Clearly indicated all modifications, enhancements, and duplications of all submitted digital images and attest that images or tables have not been previously published elsewhere, unless reproduced with written permission.

Disclosed any financial support for content in your manuscript.

Disclosed any organization or person with a financial interest in the subject matter in your manuscript.

Disclosed any conflicts of interest in your manuscript. Note that EID accepts the [ICMJE Conflict of Interest form](#).

Documented if your research has been approved by appropriate human or animal subjects research review boards, which are named in the manuscript. Refer to [ICMJE's recommendations for Protection of Research Participants](#).

Indicated in the manuscript the specific institutional and national standards for the care and use of laboratory animals that were followed, if applicable.

Submitted DNA and amino acid sequences to an open access sequence database, such as GenBank, and used accession numbers to refer to the sequences.

Included written permission from persons identifiable in photographs, case descriptions, or pedigrees.

Included written permission from persons named in personal communications (oral or written) stating that they agree to be named and that the information cited is accurate.

### Consent for Copy Editing Your Submission to Meet EID's Requirements

Agree and acknowledge that your manuscript will be copyedited to conform to EID's style conventions for text, references, units of measure, and scientific nomenclature; word count limits; and requirements for visual information (including figures, tables, photographs). Consult [Author Resource Center](#) for guidance *before submission*.
