

A choice of four different fare types for your SunExpress flight:

At SunExpress, we offer you tailored services. You can choose from up to four fare types, each of which include different service features and ticket flexibility levels. In addition, with our Buy-on-Board concept, we offer an enhanced selection of snacks and beverages for small and large appetites.

SunLight:

SunLight, our bare fare for international flights, includes one small hand baggage of up to 4 kg (max. dimensions: 40cmx30cmx20cm) and does not include a checked baggage allowance. Instead, you can upgrade to a larger piece of hand baggage (up to 8kg) or choose one of our checked baggage packages or special baggage (such as sports equipment) to best suit your individual needs. Baggage or additional services (Extras), such as catering or seat reservations, can be booked separately on sunexpress.com, via the SunExpress App or our Customer Service Center.*****

SunLight tickets are non-refundable. An upgrade to a higher fare is not possible. SunLight fare is only available on international flights.

SunEco:

SunEco, our economic basic fare for international and domestic flights, includes one larger piece of hand luggage up to 8 kg (max. dimension 55cmx40cmx23cm) and a checked baggage allowance of 20 / 30 kg***. Additional services (Extras), such as catering or seat reservations, can be booked separately on sunexpress.com, via the SunExpress App or our Customer Service Center.*****

SunEco tickets are non-refundable. Longer-term rebookings are possible for a rebooking fee. Additional costs resulting from a higher fare for the alternative flight may apply.

For more flexible rebooking terms, please consider upgrading to SunClassic or SunPremium, both of which include a free rebooking option. For further details, please have a look at the fare table below

Unless stated otherwise in the tour operator's travel confirmation, the SunEco baggage allowance also applies to tickets purchased via tour operators. On flights booked through a tour operator, a snack might be included. Please check the travel confirmation sent by your tour operator for details.

SunClassic:

The SunClassic fare differs from the basic fare (SunEco) in that it includes a Snack Box & 1 Still Water, a standard seat reservation and an additional baggage allowance of 5 kg***.

This fare also comes with SunFlex 7 for flexible rebooking without a fee until 7 days prior to departure. Additional costs resulting from a higher fare for the alternative flight may apply. For further details, please have a look at the fare table below.

SunPremium:

In addition to a baggage allowance of an extra 10 kg***, SunPremium also includes a free choice of comfortable XLeg seats with extra legroom and a Pizza Snack Box which comprises vegetable pizza, an assortment of sweet and salty snacks presented in an attractive packaging and one non-alcoholic beverage from our onboard assortment.
